**You Are Invited ... 2023 Fall Celebration**

Dear Newmark High School Parents,

Welcome to the 2023-24 school year at Newmark!

Thanks to last year's fundraising efforts, we are able once again to host a "Family Fall Celebration" for Newmark High School parents and students to connect. The event will be held on Saturday, October 14, 2023 in the late afternoon from 3:00-5:30 PM with a live performance by [Denny Corby](#), an unforgettable magician, comedian, performer and host who has been featured on *Penn & Teller's Fool Us*, *NBC*, *CW*, *WXOL* and more. The show will begin at 4:00 PM. There will be time for families and students to socialize over food and refreshments provided by local food trucks prior to the show. New! Sneak preview of the **Prism Math and Science Program**, a new paradigm for math education developed by MIT graduate that offers an experiential way for students to learn math and science (ages 12 and up) this school year.

Free admission for the whole family, including siblings.
