

Blue Devil Booster Club

Supporting the Student-Athletes at Haldane

The purpose of the Blue Devil Booster Club (BDBC) is to support the student-athletes and the athletic teams at Haldane. Your membership is one of the most important factors in allowing us to continue our mission. We ask that you please support our athletes during our Annual Blue Devil Booster Club Membership Drive!

In order to insure the ongoing improvement to all Haldane Central School District Athletic programs, the BDBC operates in conjunction with all existing sports associations. Each year, we grant two scholarships to our graduating seniors, sponsor the Hall of Fame event and award grants that benefit all athletes such as equipment for the weight room used by all students, tarps for the baseball field and spirit banners used by all teams to name a few. We also honor our Senior athletes with banners to be displayed at different events throughout the year. Our newest event is a year end celebration for all athletes. In June, we held our 3rd annual event honoring all of our student-athletes and it was a great success with help from all of our Booster Club members!

We hope that you will consider joining and help foster the spirit of positive athletic programming here at Haldane. In addition to becoming a member, we are always looking for volunteers to help with our various events throughout the year. Meeting times are on the Haldane website calendar.
