EG-0103 Transportation

I. Who is Transported

A. Students Eligible for Free Transportation

1. Bus transportation to and from school will be provided for students residing within the specific school's attendance area, and residing 2 miles or more from school unless they are in a walk zone for high school, middle school, and elementary students on bus routes established by the Administration of the School District. Bus transportation will also be provided to Special Education students for whom transportation is a part of their IEP. A walk zone is defined as less than one mile for secondary school students, half a mile for elementary students and 1,400 feet for kindergarten students. Students who live within these distances cannot receive transportation.
 - (a) Distances are calculated using computer-aided measurements taken directly from the school site to the home address and are determined along circuitous routes of roadways.
2. Non-public schools transportation within the District boundary follow the same protocol. The public school administration will annually and as necessary consult with the appropriate non-public school administration on attendance areas and safety.

B. Students eligible for fee-based transportation

1. All students who are not eligible for free transportation are eligible to access transportation for a fee subject to the guidelines set forth in this regulation.
2. Students who opt to attend a district school outside of their designated attendance area are not eligible for free transportation to the new school but can access fee based transportation under this section.
 - a. Fees for the school year are \$225 if paid by the last school day of the previous year or \$250 if paid after the last day of school of the previous year. The fee for new families moving into the District will be \$225. The family cap on transportation fees is \$500.
 - b. After January 1 new families pay \$112.50.
 - c. After January 1 all other students pay \$137.50 if space is available.

C. School Bus Transportation Reimbursement for Non-Public Students

1. Transportation for non-public students from the District may be provided to the boundary subject to the same policies, rules and regulations as transportation within the District.

Mounds View Public Schools Ends and Goals Regulation

EG-0103 Transportation (continued)

2. The District may provide aid for transportation to non-public students living within the District to schools outside of the District in accordance with Edu 3520.1500.
3. Reimbursement for transportation will be a flat rate which is equal to what a public school student would pay.
4. Application for reimbursement of transportation on an approved route and with an approved carrier shall be made at the end of each school year on a form provided.

II. School Bus Conduct, Safety Rule and Guidelines for Students and Parents

Introduction

The Mounds View School District is committed to providing safe and efficient bus transportation for all eligible students between the bus stop nearest the student's home and his or her assigned elementary or secondary school. To ensure that such transportation shall occur in the safest and most efficient manner possible, this section is committed to bus safety rules, consequences of student for safety code violation, parental concerns about transportation, and the school Safety Patrol Program.

A. Hazardous Areas

Yearly review of bus routes and potentially hazardous areas will be undertaken with assistance from city and county law enforcement.

B. Bus Safety Rules

1. Rules on the Bus

- a. The following rules are included in the contract signed by the student at the beginning of the school year and also will be posted on all buses:
 1. **Immediately follow the directions of the driver.**
 2. **Sit in your seat facing forward keeping aisle clear.**
 3. **Talk quietly and use appropriate language.**
 4. **Keep all parts of your body inside the bus.**
 5. **Keep your arms, legs and belongings to yourself.**
 6. **No fighting, verbal harassment, intimidation or horseplay.**
 7. **Do not throw any object.**
 8. **No eating, drinking or use of tobacco or drugs.**
 9. **Do not bring any weapon or dangerous objects on the school bus.**
 10. **Do not damage the school bus or tamper with safety equipment.**

EG-0103 Transportation (continued)

2. Seating Procedures

Students entering the bus will observe the following rules:

- a. Go immediately to a seat without crowding, shoving or disturbing others.
- b. Share seats with others; bus capacity in elementary schools is computed on the basis of three students per seat and on the basis of two students per seat for secondary students.
- c. Be seated at all times when the bus is moving.
- d. Remain seated until the bus comes to a complete stop and the driver opens the door.

School Administration may assign seats in the front of the bus for individual needs. School Administration may assign seats at their discretion to prevent misconduct.

3. Carrying Items on the Bus

All items that cannot be conveniently and safely carried on a student's lap or at his/her seat will not be transported on the bus. Parents are encouraged to transport larger items in their own vehicles. Procedures for carrying athletic, musical and other equipment for field trips and other school events must conform with state and local safety regulations.

4. Alcohol, Tobacco, and Controlled Substances

Students are prohibited from using tobacco or possessing, distributing or being under the influence of alcohol or controlled substances while being transported on school buses.

5. Vandalism and Littering

Anyone deliberately destroying bus equipment will be required to make a reasonable restitution. Litter must not be left on the bus. Eating and drinking are prohibited on the bus.

6. Guidelines for the Bus Stop

- a. Get to your bus stop 5 minutes before your scheduled pick up time. The school bus driver will not wait for late students.
- b. Respect the property of others while waiting at your bus stop.
- c. Stay away from the street, road or highway when waiting for the bus. Wait until the bus stops before approaching the bus.
- d. After getting off the bus, move away from the bus.

Mounds View Public Schools Ends and Goals Regulation

EG-0103 Transportation (continued)

- e. If you must cross the street, always cross in front of the bus where the driver can see you. Wait for the driver to signal to you before crossing the street.

The School District will cooperate in solving problems at the bus stop but cannot assume responsibility for incidents which occur.

C. Consequences of Students for Safety Code Violation

- 1. Each student referred for inappropriate behavior will have the incident reviewed by the principal (or designee) regarding the nature of the activity and its safety implication. Consistency will be followed in all disciplinary proceedings. If the offense is willful vandalism or destructive behavior, bus privileges will be suspended immediately. If a reported incident is determined upon review by the principal or designee to be a violation of the bus safety rules, the following consequences may apply:

1st Violation

The student will be issued a warning and a signed student contract for the privilege of riding a school bus will be sent home for parental review and signature.

2nd Violation

Short term suspension of bus riding privileges as determined by administration.

3rd Violation

Suspension of bus riding privileges for an extended period of time, depending upon the seriousness of the violation. Only the building principal or designee is authorized to remove a student's bus riding privilege for safety code violations. Prior to implementation of such removal, the building principal (or designee) will notify the student's parents or guardian of such action. Students missing school due to suspension of bus riding privileges are truant and will be unexcused from school for the day. Students who consistently abuse the bus riding privilege may be subject to School District action permanently removing their bus riding privilege.

- 2. Records

Records of school bus misconduct will be forwarded to the individual school building and will be retained in the same manner as other student discipline records. Reports of serious misconduct will be provided to the Department of Public Safety. Records may also be maintained in the transportation office.

- 3. Criminal Conduct

In cases involving criminal conduct (for example, assault, weapons, possession or vandalism), the Superintendent, local law enforcement officials and the Department of Public Safety will be informed.

D. Parental Concerns About Transportation

When a parent has a question or a concern about the transportation of their child, they should contact the principal (or assistant principal) of their school. That school administrator will determine whether other referrals need to be made and will initiate such referrals, if necessary. Parents witnessing a vehicle carrying pupils that is involved in any dangerous or illegal action are encouraged to notify their school principal or the Ramsey County Sheriff's Office immediately.

1. Parent/Guardian Responsibilities For Transportation Safety

- a. Become familiar with District rules and policies, regulations and principles of school bus safety.
- b. Assist students in understanding safety rules and encourage them to abide by them.
- c. Recognize their responsibilities for the actions of their students.
- d. Support safe riding practices and reasonable discipline efforts.
- e. When appropriate, assist students in safely crossing local streets before boarding and after leaving the bus.
- f. Support procedures for emergency evacuation and procedures in emergencies as set up by the School District.
- g. Respect the rights and privileges of others.
- h. Communicate safety concerns to school administrators.
- i. Monitor bus stops, if possible.
- j. Support all efforts to improve school bus safety.

2. Parent and Guardian Notification.

A copy of the School District school bus safety rules will be provided to each family at the beginning of the school year or when a child enrolls. Parents and guardians are asked to review the rules with their students.

3. Notice

Students will be given a copy of school bus safety rules during school bus safety training. Rules are to be posted on each bus and both rules and consequences will be periodically reviewed with students by the driver.

E. School Safety Patrol Program

1. Objective of School Safety Program

- a. Safeguard children as they walk along streets and highways, and ride buses--to and from school.
- b. Develop an awareness of traffic and safety hazards.
- c. Instill proper attitudes toward safety involved in travel to and from school.
- d. Lead students toward the development of a sense of responsibility for taking part in a general safety program.
- e. Develop character, leadership and cooperative skills.

2. Philosophy of School Patrols

- a. Serve as the communication link between the driver and school principal (or designee).
- b. To model established safety rules and safe conduct.
- c. Show a positive and responsible attitude toward all students.

3. Bus Patrol Procedures

There would be at least two patrols assigned to each bus in order to best assist the driver in the following ways. One patrol should sit at each end of the bus. Bus patrol duties:

- a. To assist in loading and unloading.
- b. To assist all students in finding a seat before the bus moves, and to encourage students to stay seated.
- c. To assist in reminding students of school bus safety rules regarding talking quietly and using appropriate language.

III. School Bus Student Safety Training Plan.

The School District will provide students enrolled in grades K-12 with school bus safety training. Upon completing the training, the student will be able to demonstrate knowledge and understanding of at least the following competencies and concepts:

1. Transportation by school bus is a privilege not a right;

Mounds View Public Schools Ends and Goals Regulation

EG-0103 Transportation (continued)

2. District policies for student conduct and school bus safety;
3. Appropriate conduct while on the bus;
4. The danger zones surrounding a school bus;
5. Procedures for safely boarding and leaving a school bus;
6. Procedures for safe vehicle lane cross; and
7. School bus evacuation and other emergency procedures.

Student school bus safety training will commence during school bus safety week. All students who are transported by school bus and are enrolled during the first week of school must demonstrate achievement of the school bus safety training competencies by the end of the third week of school. Students who enroll in a school after the first week of school and are transported by school bus will undergo school bus safety training and demonstrate achievement of the school bus safety competencies within three weeks of the first day of attendance. The School District may deny transportation to a student who fails to demonstrate the competencies, unless the student is unable to achieve the competencies due to a disability.

The District will, to the extent possible, provide kindergarten students with school bus safety training before the first day of school.

The School District will also provide student safety education for bicycling and pedestrian safety.

IV. School Bus Operation Plan.

The Mounds View School District has a fully contracted student transportation bus service. The School District will hold the contractor to a high standard of specification in regards to personnel, bus operation, and bus equipment. The attached material is the School Bus Specifications as written in the Transportation Contract and are required expectations.

V. Digital Video Surveillance

1. Mounds View Public Schools and the companies under contract for transportation services will use digital video surveillance equipment in school buses for the purpose of monitoring the behavior of students.
2. The bus contractors will purchase and install a digital video surveillance system for all the buses operating under the transportation contract. The digital video surveillance will be used to support the bus driver's report and to enforce the consequences of the School Bus Discipline Policy established and School Board approved each year.

Mounds View Public Schools Ends and Goals Regulation

EG-0103 Transportation (continued)

3. The digital recordings will be viewed only by the District Transportation Manager (and/or designee), the principal of the school building (and/or designee), bus company safety director, bus driver and school police liaison officer or other appropriate law enforcement agencies. Any digital recordings that reveal unlawful actions may be brought to the attention of law enforcement agencies. Whenever a parent or guardian disputes or challenges a bus discipline report, and their child was recorded, it will be the responsibility of the school principal to review the recording. The recording will be used by the building principal to assist in determining whether or not the incident actually occurred and, if so, the severity of the incident. Neither the student nor the parent/guardian of the student that has been recorded will be allowed to view the recording in accordance with data privacy laws unless the student is the only subject on the recording or the building principal has obtained written permission from the parents/guardians of the other students on the recording in question. Upon written request, the school district will provide a written summary of the recorded incident(s) to a student pictured on a recording or to the student's parents/guardians.

4. Each bus company will be responsible for the security of the digital video equipment and for the handling of recordings.
