What is Unified?

- Unified Sports, in partnership with the Special Olympics, promotes meaningful inclusion for students with and without disabilities
- Unified has a specific focus on ensuring that students with disabilities have opportunities to play in competitive team sports with their peers
- On our team, we welcome athletes and partner-athletes of all abilities who want to participate in a sport, seek new and unique friendships, and have fun.

What is offered?

- Basketball, October
- Track & Field, April

Who should participate?

- Students of all abilities
- Students who want to be part of a team
- Student-leaders who want to make a positive impact during their time at MHS.
