AR POSTERS
SEPT. 30

Saturday, 9 a.m. to noon

Come and learn how to make posters that come to life. Using the best mash-up of the camera app, online video editing, a great AR app, and maybe a little magic. We'll show you how to turn any classroom in to a room where the walls turn and talk.

APRIL 15

Monday, 4:30 to 5:30 p.m.

Our third and final online network meeting for the year. We will talk about the online expo in June and have a special guest (TBA) to share how they are implementing AR and/or VR in their daily work or some of their favorite tools. If you would like to present please email pamela.rabin@sdcoe.net

AR/VR PLAYGROUND
MAY 20

Monday, 4:30 to 6 p.m.

Another opportunity to enjoy our new Future Ready room. The theme for this in-person event, hosted at the LVIC, is fun and to give teachers experiences in virtual reality and a chance to imagine the possibilities. More specifics to come, stay in the loop, register now.
