

## **Bears Tackle Cancer 2023**

The Bears, along with many other football programs across the state, are raising money for the Randy Shaver Cancer Research and Community Fund. We are asking for your help. So many of us are affected by cancer in one way or another whether it be family members, friends, or neighbors. Let's come together and **TACKLE CANCER** and hopefully make the lives of cancer sufferers in Minnesota a little easier.

### **Randy Shaver Cancer Research and Community Fund**

The mission of the Randy Shaver Cancer Research & Community Fund is to support the cancer community in Minnesota by funding research, prevention, treatment and other programs relating to the needs of the cancer community. It is important to note that 100% of the money raised through Tackle Cancer donations stays in Minnesota. More information: **Randy Shaver Cancer Research and Community Fund**
