BACK TO SCHOOL INFORMATION:

Early Childhood Screening - Screen At Three

Early Childhood Screening is required by the state of Minnesota for all children prior to entering kindergarten, but the best time to screen a child is between 3 and 4 years old. Screening is a brief, simple procedure used to identify potential health or developmental problems. Screening includes vision and hearing, height and weight, immunization review, large and small muscles, thinking, language and communication skills, as well as social and emotional development.

Minnesota Student Immunization Law

Minnesota Statutes Section 121A.15 and Minnesota Rules Chapter 4604 requires that each student enrolled in and remaining in an elementary or secondary school must submit a record stating that they have received immunizations consistent with medically accepted standards. Immunization records from parents or health care providers stating the month, day, and year of each dose are acceptable. If the student or parent(s) meets one of the legal exemptions - contraindication for medical reasons or contraindication for conscientiously held beliefs - the health care provider or notary needs to sign an appropriate exemption.

Vaccines required for entering kindergarten:

- Hepatitis B - three doses
- DTaP - five doses
- Polio - four doses
- MMR - two doses
- Varicella - two doses

Vaccines required for grades 1-12:

- Hepatitis B - three doses
- DTaP - three doses
- Polio - three doses
- MMR - two doses
- Varicella - two doses

Before entering 7th Grade:

- Tdap - one dose
- Meningococcal - one dose

Before entering 12th Grade:

- Meningococcal - two doses

For more information about immunizations, please contact your school nurse or health office.

Emergency Weather Closing

When a decision is made to close schools, an announcement will be made over major radio and television stations as early in the morning as possible. The announcement will identify our school district as White Bear Lake Area Schools. Efforts will also be made to use the parent notification alert system to notify families of school closures. If no announcement is made, schools will be in session as scheduled. Parents may also check the District website or Facebook/Twitter page, or call the White Bear Lake Area School Closing Hotline number at 651-407-7540.

Transportation

Busing information will be posted on the students' Parent Portal by August 29, 2023. Students should be at the bus stop five minutes before the bus is scheduled to arrive. Students are only allowed to ride the bus to and from the school and bus stop they are assigned. Students are not allowed to ride another bus to events such as birthday parties, scouting, or other activities. Bus schedules are somewhat flexible during the first week of school while drivers become familiar with the routes.

In cases of inclement weather, bus drivers will try to maintain their schedules. However, if roads are icy or snow covered, buses may be late and parents and students should plan accordingly. Parents should use their discretion in sending children outside when the weather is extremely cold.

For more information about District transportation, please call the Transportation Office at 651-407-7538.

Health Services

Find information about COVID-19, head lice, immunizations, medications at school, and resources at the district's Health Services website, isd624.org/programs/health-services.

Free Breakfast/Lunch / Application for Educational Benefits

We are a part of Minnesota's Free School Meals Program, which means that all students can get one breakfast and one lunch free of charge each day at school.

Although no application is required to receive this free meal benefit, filling out the Application for Educational Benefits is still important because your child(ren) may qualify for other benefits such as reduced sports/activity fees, reduced internet access and utility bills, reduced AP test registration and college application fees, reduced drivers training and more!

Complete the Application for Educational Benefits at the QR code above or online at www.schoolcafe.com/isd624. Paper applications can be requested by contacting Nutrition Services at 651-407-7515.

USDA is an equal opportunity provider.

Preschool Programs

A variety of preschool options are available at various locations in the district for children who are 3 or 4 years old by September 1st. The full day programs located in elementary sites have access to busing and Extended Day options.

Our preschools are four-star Parent Aware rated and provide developmentally appropriate, play-based education with licensed preschool teachers that get kids excited about learning. In addition, we work to align our Early Childhood program with kindergarten to ensure a more seamless transition. Elements of that alignment include use of the ECIPS (MN state early childhood standards) to guide instruction, Handwriting Without Tears, implementation of the Conscious Discipline framework for social and emotional learning, and the use of limited assessments that allow us to understand student progress.

For more information on the locations, cost, and availability of our programs, please visit the website <https://whitebear.ce.eleyo.com/> and click on Preschool or call the Early Childhood office at 651-653-3100.

Extended Day (School-Age Care)

Extended Day is an out-of-school time program designed to meet the needs of busy families and active kids. The program serves students in grades preK through 5th grade during the school year. Extended Day compliments the school day, encourages social and emotional growth, and emphasizes student creativity, teamwork and communication, and being active.

The program is youth-focused and choice based, giving youth the opportunity to develop strong social skills and positive relationships. Daily program activities include health and fitness, service projects, arts, creative play, language and literacy, science and more.

Extended Day provides programming before and after school, as well as full-day programming on most non-school days and during the summer. The program has daily tuition with flexible scheduling options, including regular and drop-in contracts. Limited financial assistance is available.

Hours of operation:

Before school 6:30 a.m. - school begins
After school..... school dismissal - 6 p.m.
Non-school days 6:30 a.m. - 6 p.m.

Community Use of School District Facilities

The Community Services and Recreation Department maintains the school facility reservation schedule. Requests to use school district facilities should be made by emailing facilities@isd624.org (preferred) or through the Facilities Scheduling line at 651-407-7503. Facility details and rental agreement information can be found at isd624.org/CommunityServices.

Scheduling requests should be made at least one week prior to the desired reservation date. If the desired reservation date is less than one week from the activity date, the Community Services staff will make every effort to accommodate requests in a timely fashion.

Middle School Opportunities

Breakfast Club

This is a morning opportunity for students who are not able to stay home to catch the bus, live outside the district busing boundaries, or may be early risers. The program is designed to be youth-driven and is flexible enough to include student interests to drive programming. There will be recreation opportunities as well as time to complete assignments, participate in hands-on activities, and hang out with friends.

Program is fee-based and runs Monday through Thursday only, 7:45 a.m. - school start time. See course details in Eleyo for program dates and closure days. Financial assistance and scholarships available, contact 651-407-7501 for more information.

FLEX Program

FLEX is the district's out-of-school time program for middle schoolers. The program includes a variety of opportunities for students, including academic support, recreation time, clubs, and service opportunities. It is designed to be a safe, fun, and relaxing space for students to be when not engaged in other activities or sports. In the program, students will continue their social emotional growth, receive support for academic work, and explore passions and interests of their own.

Program runs Monday through Thursday, 4-5:20 p.m. after school, and is free for current middle school students during the school year. Students may be picked up, walk or bike home, or use the activity bus.

Ley de vacunación de estudiantes de Minnesota

La Sección 121A.15 de los Estatutos de Minnesota y el Capítulo 4604 de las Reglas de Minnesota requieren que cada estudiante inscrito y que permanezca en una escuela primaria o secundaria debe presentar un registro que indique que ha recibido las vacunas de acuerdo con los estándares médicamente aceptados. Se aceptan registros de vacunación de los padres o proveedores de atención médica que indiquen el mes, el día y el año de cada dosis. Si el estudiante o los padres cumplen con una de las exenciones legales (contraindicación por razones médicas o contraindicación por creencias sostenidas concienzudamente), el proveedor de atención médica o un notario debe firmar una exención adecuada.

Vacunas requeridas para ingresar al kínder:

- Hepatitis B: tres dosis
- DTaP: cinco dosis
- Polio: cuatro dosis
- MMR: dos dosis
- Varicela: dos dosis

Vacunas requeridas para los grados 1-12:

- Hepatitis B: tres dosis
- DTaP: tres dosis
- Polio: tres dosis
- MMR: dos dosis
- Varicela: dos dosis

Antes de ingresar al séptimo grado:

- Tdap: una dosis
- Meningocócico: una dosis

Antes de ingresar al 12 ° grado:

- Meningocócica - dos dosis

Para obtener más información sobre las vacunas, comuníquese con la enfermera de su escuela o la oficina de salud.

Cierre de emergencia por clima

Cuando se toma la decisión de cerrar escuelas, se hará un anuncio en las principales estaciones de radio y televisión lo más temprano posible por la mañana. El anuncio identificará a nuestro distrito escolar como Escuelas del Área de White Bear Lake. También se harán esfuerzos para utilizar el sistema de alerta de notificación a los padres, para notificar a las familias del cierre de escuelas. Si no se hace ningún anuncio, las escuelas estarán en sesión según lo programado. Los padres también pueden consultar el sitio web del Distrito o la página de Facebook / Twitter, o llamar a la línea directa de cierre de Escuelas del Área de White Bear Lake al 651-407-7540.

Transporte

La información sobre el transporte en autobús se publicará en el Portal para padres de los estudiantes antes del 29 de agosto de 2023. Los estudiantes deben estar en la parada del autobús cinco minutos antes de la hora programada para la llegada del autobús. Los estudiantes solo pueden viajar en autobús hacia y desde la escuela en la parada de autobús que se les asigne. Los estudiantes no pueden viajar en otro autobús a eventos como fiestas de cumpleaños, exploraciones u otras actividades. Los horarios de los autobuses son algo flexibles durante la primera semana de clases mientras los conductores se familiarizan con las rutas.

En caso de inclemencias del tiempo, los conductores de autobuses intentarán mantener sus horarios. Sin embargo, si las carreteras están heladas o cubiertas de nieve, los autobuses pueden llegar tarde y los padres y estudiantes deben planear de acuerdo al clima. Los padres deben usar su discreción al enviar a los niños afuera cuando el clima es extremadamente frío.

Para obtener más información sobre el transporte del Distrito, llame a la Oficina de Transporte al 651-407-7538.

Servicios de salud

Encuentre información sobre COVID-19, piojos, vacunas, medicamentos en la escuela y recursos en el sitio web de Servicios de Salud del distrito, isd624.org/programs/health-services.

Desayuno/Almuerzo Gratis/ Solicitud de Beneficios Educativos

Somos parte del Programa de comidas escolares gratuitas de Minnesota, lo que significa que todos los estudiantes pueden obtener un desayuno y un almuerzo gratis todos los días en la escuela.

Aunque no se requiere una solicitud para recibir este beneficio de comida gratis, completar la Solicitud de beneficios educativos sigue siendo importante porque su hijo puede calificar para otros beneficios, como tarifas reducidas para deportes/actividades, acceso a Internet y facturas de servicios públicos reducidos, registro de exámenes AP reducido y tarifas de solicitud universitaria, capacitación de conductores reducida y más!

Complete la Solicitud de Beneficios Educativos en el código QR a la derecha o en línea en www.schoolcafe.com/isd624. Las solicitudes en papel se pueden solicitar comunicándose con Servicios de Nutrición al 651-407-7515.

USDA es un proveedor de igualdad de oportunidades.

Uso comunitario de las instalaciones del distrito escolar

El Departamento de Recreación y Servicios Comunitarios mantiene el horario de reserva de las instalaciones escolares. Las solicitudes para usar las instalaciones del distrito escolar deben enviarse por correo electrónico a Facilities@isd624.org (preferiblemente) o, a través de la línea de programación de instalaciones al 651-407-7503. Los detalles de las instalaciones y la información del contrato de alquiler se pueden encontrar en isd624.org/CommunityServices.

Las solicitudes de programación deben realizarse al menos una semana antes de la fecha de reserva deseada. Si la fecha de reserva deseada es menos de una semana a partir de la fecha de la actividad, el personal de Servicios Comunitarios hará todo lo posible para atender las solicitudes de manera oportuna.

Programas preescolares

Hay una variedad de opciones preescolares disponibles en varios lugares del distrito para niños que tienen 3 o 4 años de edad antes del 10 de septiembre. Los programas de día completo ubicados en sitios de primaria tienen acceso a opciones de transporte en autobús y de día extendido.

Nuestras escuelas preescolares tienen una calificación de Parent Aware de cuatro estrellas y brindan educación apropiada para el desarrollo basada en el juego, con maestros preescolares licenciados que entusiasman a los niños con el aprendizaje. Además, trabajamos para alinear nuestro Programa de la Primera Infancia con el Kinder para garantizar una transición más fluida. Los elementos de esa alineación incluyen el uso de ECIPS (estándares de la primera infancia del estado de MN) para guiar la instrucción, Escritura a mano sin lágrimas, implementación del Marco de disciplina consciente

para el aprendizaje social y emocional, y el uso de evaluaciones limitadas que nos permiten comprender el progreso del estudiante.

Para obtener más información sobre las ubicaciones, el costo y la disponibilidad de nuestros programas, visite el sitio web <https://whitebear.ce.eleyo.com/> y haga clic en Preschool o llame a la oficina de Early Childhood al 651-653-3100

El Día Extendido ofrece programación antes y después de la escuela, así como programación de día completo en la mayoría de los días no escolares y durante el verano. El programa tiene enseñanza diaria con opciones de programación flexibles, incluidos contratos regulares y sin cita previa. Hay asistencia financiera limitada disponible.

Oportunidades para la escuela intermedia

Club de desayuno

Esta es una oportunidad matutina para los estudiantes que no pueden quedarse en casa para tomar el autobús, que viven fuera de los límites de transporte del distrito o que pueden ser madrugadores. El programa está diseñado para ser impulsado por los jóvenes y es lo suficientemente flexible como para incluir los intereses de los estudiantes para impulsar la programación. Habrá oportunidades de recreación, así como tiempo para completar las tareas, participar en actividades prácticas y pasar el rato con amigos.

El programa tiene costo y se ejecuta solo de lunes a jueves, 7:45 a.m. hasta la hora de inicio de clases. Consulte los detalles del curso en Eleyo para conocer las fechas del programa y los días de cierre. Asistencia financiera y becas disponibles, comuníquese al 651-407-7501 para obtener más información.

En el programa, los estudiantes continuarán su crecimiento socioemocional, recibirán apoyo para el trabajo académico y explorarán sus propias pasiones e intereses.

El programa se ejecuta de lunes a jueves, de 4:00 p.m. a 5:20 p.m. después de la escuela y es gratis para los estudiantes actuales de la escuela intermedia durante el año escolar. Los estudiantes pueden ser recogidos, caminar o regresar en bicicleta a casa, o usar el autobús de actividades.

Strategic Plan

Representative teams from each of our schools and programs came together this summer for a 2-day strategic planning session. After a thorough process that included much thought and deliberation, the teams landed on site plans - each complete with a Mission Statement, Objectives and Tactics - that will help guide our collective work moving forward. Strategic planning work will continue at each of our sites and programs during the 2023-24 school year.

OBJECTIVES

Each student meaningfully contributes to community.

100% OF STUDENTS:

- feel valued.
- accomplish their personalized learning plan.
- are prepared for and implement their design for their future.
- graduate.
- creatively adapt to an ever-changing world.

STRATEGIES

WE WILL:

- create and sustain a safe, equitable and nurturing environment.
- promote, encourage and support students' personal learning experiences and aspirations.
- ensure our organization continuously transforms to fulfill our mission.
- establish healthy and vital engagement with our entire community.

PARAMETERS

WE WILL:

- make all decisions based on the best interest of the student.
- respect the dignity and worth of each person.
- not compromise excellence.
- expect the best of everyone.
- practice participatory decision-making throughout the organization.

Building Our Future Construction Update

Since 2019, when the community supported a bond referendum, the list of completed facilities projects has grown to include new Transportation and North Star Elementary buildings, South Campus gym and classroom additions, ALC renovations, and elementary additions at Birch Lake, Lakeaires, Lincoln, Matoska, Otter Lake, Vadnais Heights and Willow Lane.

This fall, the Oneka Elementary addition and updates will be completed. Progress will be made throughout the school year on the Unified WBLAHS so that it can open to grades 9-12 in Fall 2024, when the current WBLAHS - South Campus will open as Mariner Middle School. Work will also continue for the phased projects at Central Middle School and for the current Sunrise Park Middle School, which will be ready in Fall 2025 as a multi-use facility to include District Offices, Early Childhood, Transition Education Center (TEC) and the Senior Program.

The district's building projects are made possible by the community's support of the 2019 Building Our Future bond referendum. Complete information about the district's facilities projects can be found at isd624.org/BuildingOurFuture.

Foundation of Success

Our objective is to ensure each student achieves their personal goals & desired career pathway. We will provide educational experiences designed to develop skills highlighted in the chart to the right.

Complete information about the district's Foundation of Success can be found at isd624.org/about/strategic-planning

Equity Commitment

To nurture the whole student, we disrupt systemic inequities by recognizing, honoring, and embracing all cultures with humility and respect.

4-Way Equity Decision Making Protocol:

- » How does this help to provide opportunities to students who have been marginalized within the system in the past?
- » How does this help to ensure equitable access for all?
- » How does this help to eliminate barriers based on race/ethnicity, gender, disability, age, or other protected groups?
- » How does this ensure that the same rigorous standards for academic performance exist for all students?

Mission

The mission of the White Bear Lake Area School District, the community at the forefront of educational excellence, honoring our legacy and courageously building the future, is to ensure each student realizes their unique talents and abilities, and makes meaningful contributions with local and global impact through a vital system distinguished by:

- » Students who design and create their own future
- » A culture that respects diverse people and ideas
- » Safe, nurturing and inspiring experiences
- » Exceptional staff and families committed to student success
- » Abundant and engaged community partners
