

# 2023 Hollis-Brookline Elementary Science Fair

For Hollis and Brookline students grades K - 6

Register by **October 27, 2023** at link below 

Science Fair to be held at Hollis-Brookline Middle School  
Monday, November 13, 2023, from 5:45 to 7:30PM

snow date of November 15<sup>th</sup> if needed

- not a school sponsored event -

**THEME:** This year you are invited to make a project about **REACTIONS!** Whether it is an experiment involving Rube Goldberg chain reactions or safe chemical reactions, learn about and make something that showcases how cool reactions are.

**REGISTRATION:** Go to <https://forms.gle/p2RfdXGi1thLVrE98> to register to participate in the Science Fair - it's free to enter and participants even get a STEM gift! Students may work by themselves or in groups of up to three. Each student needs to register and note who you are working with if part of a group. You will receive an email with project ideas and display guidelines shortly after you complete the online registration form.

**Registration deadline is October 27th.**

Thank you to Three Gold Sponsors Committed so far:

LOCUS  
ROBOTICS

Donation in honor of Ava and Nora Hussey

# 2023 Hollis-Brookline Elementary Science Fair

For Hollis and Brookline Students grades K - 6

Register to participate by **October 27, 2023** at link on prior page

Event to be held at Hollis-Brookline Middle School  
Monday, November 13, 2023, from 5:45 to 7:30PM

Snow date of November 15<sup>th</sup> if needed

Former science fair participant, Jason Bottino, now an 8th grader at the Academy for Science and Design, and his mom Marsha are leading the volunteer effort for the 2023 Science Fair again.

Once you register as a science fair participant we will email you a packet that has project ideas, steps on how to follow the scientific process and examples of a tri-fold display board layout.

Please contact [marsha.bottino@gmail.com](mailto:marsha.bottino@gmail.com) with any questions

## **Sponsorships Donations:**

To help the Hollis Elementary PTA raise funds to support STEM at our elementary schools in the coming year we have created sponsorship opportunities for businesses and families. See the attached Hollis Elementary PTA Science Fair Sponsorships Sheet for details of \$1,000, \$500, and \$250 level sponsorship benefits.

\$1,000 sponsors can have a display at the Science Fair to showcase their STEM products and/or provide hands-on reaction related experiments for kids to try in addition to recognition on event materials.

# 2023 Hollis-Brookline Elementary Science Fair

Hollis-Brookline Middle School

Monday, November 13, 2023

**Sponsorship Opportunities:** Businesses and families are invited to sponsor the Hollis Elementary PTA and promote STEM in our elementary schools by donating one of the three levels listed below. **Credit card donations can be made directly to the Science Fair via the Hollis Elementary PTA website using the QR code or go to: <https://my.cheddarup.com/c/hepta-science-fair-copy?cart=355f982f-3360-4ac9-8cf9-c6b9aaf8349d%21%2162864858>**

**Gold Donation - \$1000.** Includes display area at science fair, recognition on event materials, and ability to hang company-provided banner at the science fair. Gold Sponsors will have the opportunity to have a display table at the Science Fair on November 13, 2023 to demonstrate a STEM related product, hand out promotional items that are appropriate for elementary school students and/or have a magnetic related hand-on activity for kids to explore. Fair runs 5:30-7:30PM.

**Silver Donation - \$500.** Includes recognition on event materials and ability to hang company-provided banner at fair.

**Bronze Donation - \$250.** Includes recognition in science fair program.

About the Science Fair: After a 3-year hiatus due to COVID-19, the Hollis Elementary PTA (HEPTA) is once again organizing a Science Fair for students in grades K-6 at the Brookline and Hollis Elementary schools. Since 2022 the science fair is now chaired by former Science Fair participant Jason Bottino, an 8th grader from Hollis, with the support of HEPTA. Jason has chosen to have an annual theme to the science fair and based on input collected at the 2022 fair, students are invited to bring an invention, experiment or display related to reactions to the 2023 Science Fair. Please email completed sponsorship forms to [marsha.bottino@gmail.com](mailto:marsha.bottino@gmail.com)

Yes, \_\_\_\_\_ (company name) would like to support the

Hollis Elementary Science Fair at \$\_\_\_\_\_ (\$1,000 Gold, \$500 Silver, \$250 Bronze).

Contact Person: \_\_\_\_\_

Contact Email: \_\_\_\_\_ Contact Phone: \_\_\_\_\_

Mailing address: \_\_\_\_\_

Gold Sponsors Only: Would you like a display table at the Science Fair on 11/13/23? \_\_\_ yes \_\_\_ no  
If yes, describe your display (product display, hands on magnetic activity, promotional material handout, etc.):

Make sure to sign up for the sponsorship opportunities soon so you don't miss out on getting recognized on the science fair materials! Please email completed sponsorship forms to [Marsha.Bottino@gmail.com](mailto:Marsha.Bottino@gmail.com) Marsha will follow-up with how to make the tax-deductible sponsorship donation to Hollis Elementary PTA and get the company logo for PR materials.
