Youth Link Southern Indiana scholarships are provided based on income qualifications and are evaluated on a first-come, first-served basis. Depending on income and household size, families will receive either a 50% discount or a 75% discount off the normal tuition rates.

Below are the income restrictions. Based on your family size, your net income after taxes must fit between the two amounts. If your gross income is more than the 2<sup>nd</sup> column, you will not qualify. If your gross income is less than the 3<sup>rd</sup> column, you will not be eligible for our scholarship, and will need to contact River Valley Resources (RVR) to inquire about qualifying for the CCDF School- Age Voucher. The phone number for RVR is 812-949-4381. Please visit their website for more information at
