

Kyiv International School IB Program 2023-2024

For a more detailed explanation of the course available please see: [DP curriculum - International Baccalaureate® \(ibo.org\)](#)

Group 1 – Studies in Language and Literature

As part of the Diploma Program (DP), students take at least one subject from studies in language and literature. Taking two studies in language and literature subjects in different languages is one way of obtaining a bilingual diploma.

At KIS we offer:

English: Language and Literature (required for all KIS IB Diploma students)

German: Literature

French: Language and Literature

Russian: Language and Literature

Ukrainian: Literature

Group 2 – Language Acquisition

As part of the Diploma Program (DP), students take at least one subject from studies in language and literature. Taking two studies in language

and literature subjects in different languages is one way of obtaining a bilingual diploma.

At KIS we offer: German, French, Ukrainian, Russian

Group 3 – Individuals and Society

Studying any one of these subjects provides for the development of a critical appreciation of:

- human experience and behavior
- the varieties of physical, economic and social environments that people inhabit
- the history of social and cultural institutions.

In addition, each subject is designed to foster in students the capacity to identify, to analyze critically and to evaluate theories, concepts and arguments relating to the nature and activities of individuals and societies.

At KIS we offer: Business Management and History

Group 4: Sciences

Students explore the concepts, theories, models and techniques that underpin each subject area and through these develop their understanding of the scientific method.

At KIS we offer: Biology

Group 5: Mathematics

The aims of these courses are to enable students to:

- develop mathematical knowledge, concepts and principles
- develop logical, critical and creative thinking
- employ and refine their powers of abstraction and generalization.

Students are also encouraged to appreciate the international dimensions of mathematics and the multiplicity of its cultural and historical perspectives.

At KIS we offer: Mathematical Analysis and Approaches

Group 6: The Arts

Students may opt to study an additional sciences, individuals and societies, or languages course, instead of a course in the arts.

The subjects in the arts allow a high degree of adaptability to different cultural contexts. The emphasis is on creativity in the context of disciplined, practical research into the relevant genres.

In addition, each subject is designed to foster critical, reflective and informed practice, help students understand the dynamic and changing nature of the arts, explore the diversity of arts across time, place and cultures, and express themselves with confidence and competence.

At KIS we offer: Film and Visual Arts

Kyiv International School also works with [Pamoja Education IB Diploma Programme Online Courses - Pamoja \(pamojaeducation.com\)](https://www.pamojaeducation.com) to support

students who would like to study DP course not offered by KIS. Please check with the IB Diploma Coordinator for more information.
