## **Mission statement**

Since 1972, we have established a welcoming and inclusive community. Our diverse cultures and languages drive all our learning experiences.

We nurture creativity and curiosity to stimulate deep thinking. We foster insight, compassion and resilience to enable us to play a meaningful part in a changing world.

## **Vision statement**

We celebrate our stories, our worth and our purpose to make a difference in a shared world.

At the International School of London, we believe in:

Empowering students to maximise their learning opportunities and to fulfil their potential.

Actively integrating cultural diversity in the curriculum.

Creating inclusive, vibrant and innovative learning communities.

Offering a diverse and extensive international programme that supports personal, social and professional growth.

## **Purpose**

This policy sets out the framework for a clear appraisal process of teachers, including the headteacher, and for supporting their development within the context of the School's plan for improving educational provision and performance, and the standards expected of teachers. It also sets out the arrangements that will apply when teachers fall below the levels of competence that are expected of them.

We believe this policy should be a working document that is fit for purpose, represents the school ethos, enables consistency and quality across the school and is related to the following legislation:

- Education Act 1996
- Children Act 2004
- Safeguarding Vulnerable Groups Act 2006
- Equality Act 2010
- Children and Families Act 2014
- Keeping Children Safe in Education 2021

The following documentation is also related to this policy:

- Equality Act 2010: Advice for Schools (DfE)
- Keeping Children Safe in Education: Statutory Guidance for Schools and Colleges (DfE)

- Working Together to Safeguard Children: A Guide to Inter-agency Working to Safeguard and Promote the Welfare of Children

We aim to provide a safe, secure, healthy and pleasant learning environment for all our children, school personnel and visitors. We have in place security procedures that will reassure parents that their children are safe from the time they arrive at school to the time they leave.

We will ensure that at the end of the school day and after co-curricular activities (after-school clubs) all children are collected by their parents/carers or a designated adult. Children will remain in the care of the School until they are collected by their parent/carer or a designated adult, unless they are of an age whereby the School has received written parental consent for the child to leave the School premises unsupervised.

We, as a School community, have a commitment to promote equality. Therefore, an equality impact assessment has been undertaken and we believe this policy is in line with the Equality Act 2010.

We all have a responsibility to ensure equality permeates into all aspects of school life and that everyone is treated equally irrespective of age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex and sexual orientation. We want everyone connected with this school to feel safe, secure, valued and of equal worth.

We believe it is essential that this policy clearly identifies and outlines the roles and responsibilities of all those involved in the procedures and arrangements that are connected with this policy.

### **Aims**

- To ensure the safety and security of children not collected on time at the end of the school day and after co-curricular activities (after-school clubs).
- To ensure compliance with all relevant legislation connected to this policy.

This policy has been equality impact assessed and we believe that it is in line with the Equality Act 2010 as it is fair, it does not prioritise or disadvantage any pupil and it helps to promote equality at this school.

## **Monitoring the Implementation and Effectiveness of the Policy**

The practical application of this policy will be reviewed annually or when the need arises by the Head of School and the nominated Safeguarding Lead.

A statement of the policy's effectiveness and the necessary recommendations for improvement will be presented to the Senior Leadership Team for further discussion and endorsement.

At ISL London, Safeguarding and promoting the welfare of children is everyone's responsibility. Everyone who comes into contact with children and their families has a role to play. In order to fulfil this responsibility effectively, all practitioners should make sure their approach is child-centred. This means that they should consider, at all times, what is in the best interests of the child.
