

- If a 9th or 10th grade student advances to Round II of the All State Process, they will prepare the assigned audition repertoire. If they are not selected to the Region Mixed Choir, they will be offered a place in the 9th and 10th Honor Choir. Should they accept membership in this ensemble, they are responsible for knowing the entirety of the assigned repertoire prior to the clinic and concert. *Note: Directors are responsible for communicating their students' intent to participate in this ensemble by the Wednesday following the audition.*
- Students will receive a patch at the conclusion of their performance with this ensemble.

### Errata

Please be aware of some printed text errata on Hlonolofatsa.

Any errata in the practice tracks may be submitted for correction to Zach Steele before October 7.
