

LYON COUNTY SCHOOL DISTRICT BOARD POLICY

BN

STATE OF THE DISTRICT

The Board and District administration desire to maintain transparent communication with the students, staff, families and community members of Lyon County. As a result, District administration will prepare a State of the District document annually. This document will be presented to the public at a regularly agendized board meeting on or before the last day of February of each school year. The document will then be disseminated to stakeholders as deemed appropriate by District administration.
