

# SPARTAN SPEAK

**South Warren High School - A School of Distinction**

TO PROVIDE STUDENTS WITH OPPORTUNITIES TO DEVELOP CRITICAL THINKING, LEADERSHIP, AND LIFELONG  
LEARNING

**May 23, 2023**

## **Important Dates**

**May 22** Choir Concert @6pm

**May 25** Last Day for Students

**May 27** Graduation @12pm

**July 25** Back to School Bash @Hillvue

## **Last Day of School - May 25**

Parents and guardians, please mark your calendars! The last day of school for students is **Thursday, May 25, 2023**. Seniors will be taking finals on Monday (1st & 3rd block) and Tuesday (2nd & 4th block) this week. Freshman through Juniors will be taking finals on Wednesday (1st & 3rd block) and Thursday (2nd & 4th block).

## **Electronics Policy Parent Survey**

SWHS Staff members are currently reviewing the current electronic device policy. We are seeking input from parents and guardians as we look to ensure South Warren prioritizes both safety and education of all students. Please review the current policy, found in the [Student Handbook](#) on pages 16-17, and [fill out this short survey](#). Thank you for your participation and input.

## **2023-2024 Registration Open**

**Don't forget to update your information for next year!** Student registration is now open for the 2023-2024 school year for preschool through 12th grade. Please click this link <https://bit.ly/K-12Registration> to register your student as a new or returning student (grades K-12). This process is required to keep emergency information up-to-date for every student. If you need your parent portal login reset, please fill out [this form](#).

## **Out-of-District Students**

Students who reside outside of South Warren High School's district must have a completed and approved [out-of-district request](#) completed each school year. These requests must be submitted by June 1st in order to be considered.

## **Chromebooks**

LOOKING AHEAD: We have high expectations that South Warren High will be one-to-one for student Chromebooks for the 23-24 school year. This means that ALL students will use a school-owned device and not be permitted to use their personally owned device at school. We also anticipate a \$25 tech usage fee for students to help us maintain the devices and keep up with the demand. We will share more information as the new school year approaches regarding these changes and policies.

## **Yearbooks**

Yearbook season is finally coming to an end. Parents & students who purchased a yearbook that has not yet been picked up have been contacted! Students can pick these up from me, Miss Gray in Rm 88 between classes. Any yearbooks not claimed will be set in the office for the summer. There are some yearbooks still for sale. These can be purchased for \$78, cash or check, through this Thursday, May 25th. They will NOT be on sale during the summer.

I have also had some questions about the spring sports spreads. Don't worry—they're coming! In order to cover more of the spring sports' seasons—some of which occur after the yearbook is already submitted—there will be an insert spread that stick right into the back of your yearbook, which will be mailed to everyone who has previously purchased the regular yearbook. These should arrive during the summer months.

## **Healthy Kids Clinic - School Nurse**

If your student has emergency medication, daily or as-needed medication in the health room, please pick them up in the front office by Friday at 3:30pm. All medication must be picked up by a parent/guardian.

Also, our nurse, Andrea Kresslein, sent home emergency action plans for the 2023-2024 school year. If your student received an action plan, please have your student's doctor complete the forms and return to school by August. If you have any questions, please contact Andrea Kresslein at [andrea.kresslein@warren.kyschools.us](mailto:andrea.kresslein@warren.kyschools.us).
