If you are in need of school supplies for the upcoming school year, please contact the Spartan Youth Service Center at taylor.alder@warren.kyschools.us or 270-904-8835.

Student Checkout/Messages for Students/Bus Notes

Parents needing to send messages to their son/daughter should E-MAIL the office staff so the message can be delivered to the student. Send the message for your student to: swhs@warren.kyschools.us.

In the subject heading, please reference the appropriate title "student checkout, student message, or bus notes for (your son/daughter, including his/her last name)". Type the message for your son/daughter in the body. Once messages are received, they will be delivered to students during the next locker break. It is the parent/guardian responsibility to verify the student checkout note/bus note by calling the school at 270-467-7500.

Picture Day

Picture Day for Faculty, Staff, and Freshman-Juniors will be **August 22nd**. For Seniors who were unable to make their summer appointments with Graham Photography, makeup pictures will be August 24th. Seniors will only be taking the drape/suit pictures. All professional pictures for the yearbook must be taken by Graham photographers; therefore, no outside submissions are allowed. Please make sure that your students are prepared for Picture Day so that we can feature as many Spartans as possible in this year's Chronicle!

Online Registration

All currently enrolled students must have their personal and emergency information updated in the [WCPS Parent Portal](#) by a parent/guardian before schools starts. Details in link: <http://bit.ly/2WLPlyw>. If you need your password reset, please submit this [form](#).

Chromebooks

SWHS is still working towards having enough student Chromebooks so that every student can be issued a school owned device. Right now, any student can check out a device for the school year by completing a Chromebook contract and returning it to school. Contracts and chromebooks will be available in the library at our open house event. This year, it is our goal to issue a device to every sophomore and junior student. Both of these grade levels are required to complete state testing at different times of the year, and such tests must be taken on a school owned device. This allows devices to stay in the hands of students rather than collecting them weeks in advance in order to redistribute them for the purpose of testing. All sophomore and junior students will receive a Chromebook contract on the first day of school and are strongly encouraged to return it as soon as possible. Students are expected to bring their device charged and ready to use for educational purposes each day, or as their teachers request. Extra computers may not be available in classrooms as we work towards getting more and more devices in the hands of students to use in all classes and at home.
