Getting Your Permit Soon?

There is a form you will need from school. It can be requested on the [guidance website](#) and we require 24 hours advance notice. The completed form can be picked up in the front office. We do NOT email OR fax completed forms!

Sick Policy

If your child is sent home from school due to fever or vomiting, District policy requires the student be 24 hours symptom-free without the use of medication before they may return to school. This also means the child will not be allowed to return to school the day after they are sent home. Both days will be excused. Any additional days the student is absent will need to have a parent or doctor's note to be excused.

WCPS Inclement Weather Policy

The weather will soon become colder and our Board of Education approved 10 Non-Traditional Instruction Days (NTI) to be used for health and safety in the 2022-23 school year. In the case of inclement weather, an NTI day may be used and all students are expected to participate in virtual learning. Should an NTI day be used in the case of inclement weather, families will be notified through Infinite Campus (email and text), the media and social media.
