

***CREDIT BY EXAMINATION***

As required by NAC 389.670, a pupil may be granted credit for a specific course of study in a secondary school without having attended the regularly scheduled classes in the course if he/she demonstrates competence to meet the objectives of the course through his/her performance on examination.

The credit by examination procedure is an opportunity for the advanced student to progress at the student's own learning rate. Credit by examination is available only to students who have never taken the course for which a test is offered, except for students exclusively enrolled in alternative programs.

Specific courses of study for which a pupil may be granted credit without having attended the regularly scheduled classes in the course, including, without limitation: Algebra I, Algebra II, geometry, Pre-Calculus, Computer Education and Technology (CET), English I, English II, English III, English IV, principles of science, life science, physical science, health, history of the United States, world history, government of the United States, sociology, and world languages.

Policy #IKFA

Revised 7/23/2019

***CREDIT BY EXAMINATION - ADMINISTRATIVE REGULATIONS***

1. Students, parents/guardians, counselor, and administrators may initiate the credit by examination process by submitting a completed Credit by Examination Application for approval to the Director of Curriculum, Instruction and Assessment or the Deputy Superintendent.
2. The Director of Curriculum, Instruction and Assessment or the Deputy Superintendent may establish a committee of teachers and administrators to select the appropriate examination for each course of study. The examination must be based on the standards of content and performance prescribed for that course and the curriculum for that course adopted by the Lyon County School District. The Director of Curriculum, Instruction and Assessment or the Deputy Superintendent may prescribe an alternative program course, end course exam as the appropriate examination for each course of study.
3. In order for a student to earn a credit for a class by credit by examination, the student must score a minimum of 70% on the examination.
4. Students receiving credit for courses by examination are to be marked with traditional marks.
5. Students participating in the credit by examination are required to pay an hourly fee consistent with negotiated rates of pay for extra duty.
