

GBD1. Auto-Injectable Epinephrine

1. Policy

This policy describes the process in which Student Health Services implements the mandates of Nevada Legislature Senate Bill No. 453—Committee on Health and Human Services in the administration by District employees of undesignated Auto-Injectable Epinephrine to any student on a District school campus, who appears to be experiencing symptoms of anaphylaxis during their regular school day.

2. Responsibility and Approval

The Director of Special Services is responsible for carrying out this administrative regulation and shall have approval authority.
