

Santa Fe Independent School District

Superintendent Message

Dear SFISD Teachers and Staff:

September 15, 2023

Happy Friday everyone! We've had another great week in SFISD. Thank you again to **EliteCare** for providing **Whataburger chicken biscuits** for all our employees this past Wednesday. We are thankful for our SFISD teachers and staff.

We want to congratulate **Officer Rita Banis** at RJ Wollam Elementary. Officer Banis was recognized by the Chamber of Commerce as the "SFISD First Responder of the Year" for 2023. Please be sure to congratulate Officer Banis when you see her! A huge THANK YOU to *our entire SFISD Police Department* for doing such an amazing job in our school district.

We also want to take a moment to recognize our hardworking technologists and tech support services in SFISD. Next Tuesday, September 19th, is **National IT Day**. We are very blessed to have such an awesome technology department in our school district! Be sure to thank Heather Brown and all our technologists when you see them.

Don't forget - we are presenting this year's edition of "**Santa Fe's Got Talent**" at 6:30 p.m. tonight in the Santa Fe High School Auditorium. There will be a variety of students and staff performing their talents. We hope you can attend.

That's all for now! We wish all of you a safe and blessed weekend,
KB

Santa Fe ISD is an academic leader committed to excellence through continuous improvement by instilling high standards, building strong community partnerships, providing innovative opportunities, and empowering students for lifelong success.
