2023-2024 School Profile

Monta Vista High School (MVHS) opened in 1969 and continues to be one of the top comprehensive high schools in California and the United States. Located in the heart of Silicon Valley, MVHS is highly regarded for its strong academic programs and variety of extracurricular and co-curricular opportunities for students. A California Distinguished School, National Blue Ribbon award winner, MVHS is frequently recognized by

Newsweek and US News and World Report for its outstanding student success. MVHS's school counseling program provides all students with academic planning, personal counseling, and postsecondary advising for college and career. Four full-time school counselors and a College and Career Advisor engage with students, parents, and staff to deliver comprehensive school counseling that personalizes the planning and counseling experience based on each student's needs and postsecondary goals.

Due to the extraordinary circumstances resulting from COVID-19 school closures and per California AB104 legislation, Monta Vista offered a Pass/Fail option for the 20-21 school year. During that time, students completed synchronous and asynchronous assignments in order to earn credit. Remote Learning curriculum focused on essential content and skills to prepare students for future coursework.
