

San Francisco Service Trip: March 25-29, 2024

Mission

Our team will serve with San Francisco City Impact, an inner-city ministry that began in 1984 with the dream of seeing a spiritual awakening in the Tenderloin. What began as an afternoon handing out sandwiches on the street has grown into a multifaceted ministry serving the immediate needs of the community in these areas: poverty, children, and hunger. Our students will serve through tangible acts of love and kindness such as feeding the hungry (Rescue Mission, Meal Deliveries), clothing the naked (Thrift Store), educating the children (School) loving our neighbor (Adopt a Building) and making disciples (connecting people back to the church).

Goals

Students will provide service to inner-city residents alongside other leaders and participants. Team members will likely experience settings that may be uncomfortable, and they may be around others who may make them feel uncomfortable. This is not an opportunity for team members to compare levels of bravado, but to bring love and compassion where there has been mostly emptiness and disdain. Students will be inspired, encouraged and equipped to embody a heart of service wherever they go.
