

COMMUNITY RELATIONS

Display of Advertising and Promotional Material

It is the policy of the Pasco School District that district facilities, including but not limited to grounds, athletic facilities, and school buildings remain generally free of commercial advertising. The promotion or advertisement of district or school-related events, activities, programs, or promotions, and education-related events, activities, or promotions as approved by the district is permitted. Contributions of goods, services, or donations may be acknowledged on district property and in district facilities according to procedures developed by the superintendent or designee.
