

## Youth Activity Center Information

### Overview

The purpose of the Youth Activity Center is to provide children with a safe place to participate in a variety of supervised activities. YAC is open to all Glen Hills students. Students who don't attend Glen Hills but live within its district boundaries may also attend. Activities include games in the commons and open gym. If life guards are available, the pool will be open for grade 4-6 events.

The cost to attend is \$15 per student for the year. Payment should be made online through the Infinite Campus portal. After payment is received your child will be issued a school ID/YAC card that gives them access to their grade-level event. Snacks are available for purchase during the events.

Adult family members are needed to chaperone these events. A SignUp Genius link will be sent to family email addresses 2 weeks prior to the event. If we do not have enough volunteers by the Wednesday before the event, that event will be canceled. YAC events will not open until all parent volunteers are present.

## **Volunteer Procedures**

Volunteers are essential for YAC events to run smoothly. Families will receive a link to SignUp Genius for the event two weeks prior to the event. Adult family members have the ability to sign up for the volunteer post of their choice.

Volunteer posts include monitoring the commons area, working in the snack booth, monitoring the stairs, monitoring the gym, monitoring outside of the locker rooms if the pool is open, and monitoring the front door. Volunteers, please arrive by 6:45pm the night of the event so that you can be in place when the doors open to students. YAC events will not start until all adult volunteers are in place.

## **Drop Off Procedures**

Students will be greeted in the main entrance by staff members to be checked off of the membership list. Students dropped off who have not been registered will call their families and have their families come into the building to give consent for them to join YAC and pay the \$15 fee.

## **Pick Up Procedures**

For the safety of all students, please park your car and walk to the front entrance so that you can escort your child to your vehicle. Do not park in the Fire Lane. You may arrive 5-10 minutes early and enter the building.

**Students not picked up by 9:15pm risk losing YAC privileges.**
