## **SOUTH WARREN FFA WINS STATE CHAMPIONSHIP 5 YEARS IN A ROW!!!**

On Friday, August 18, 2023, the South Warren FFA Small Engines Team competed in the State Small Power & Equipment Competition at the KY State Fair. Competing against schools from all 12 regions of the KY FFA Association, the South Warren FFA Small Engines Team placed 1st in the state! The state championship team consists of Matthew Bean, Dylan Weckerly, Dylan Bush, and Aidan Spencer. Dylan Bush was also named the high scoring individual in the state!

Participants in this contest must possess an encyclopedic knowledge of many aspects in the small engine industry. Students compete in areas including part and tool identification and operation, troubleshooting and diagnostics, engine repair skills, and a general knowledge exam. Topics covered in the contest include 4-cycle theory, troubleshooting, mathematical calculations, word problems, skills-based scenarios, torquing, assembling, measuring, adjusting, etc. Participants in this contest learn and develop skills that will better prepare them for careers in the following fields: agriculture, engineering, mechanics, automotive, technology, sales, etc.

Please join us in congratulating these hardworking, talented students!
