

04/07/2023

Dear Parents and Carers,

I am writing to invite you to participate in an exciting opportunity that allows you to engage more closely with our school community and contribute to shaping our school's future.

We are in the process of establishing a Parent Committee. The main objectives of the Parent Committee will be to represent parent views on school matters and to assist in organising fundraising events. This committee will serve as a platform for parents and carers to voice their opinions, share ideas, and collaborate directly with school leadership to help shape our Academy's policies and initiatives.

In addition, the committee will play a crucial role in organizing our annual fundraising events, including the Christmas, Spring, and Summer fetes which we have planned for the 2023-24 school year. These events are not only essential for raising funds for school resources but also serve as fantastic community-building opportunities.

Please note, the formation of the Parent Committee will not replace our existing Parent Forum, which will continue to be a venue for open discussion on a variety of topics. Furthermore, we plan to introduce parent/teacher coffee mornings, which will take place once per term in the coming year.

We are initially looking to establish a team of around 10 members for the Parent Committee. Participation will provide a unique insight into our school's operations and an excellent opportunity to become more involved in your child's educational journey. No previous experience is required - just a willingness to contribute positively and work collaboratively with other members of our school community.

If you are interested in joining the Parent Committee, please submit your interest using this [form]([here](#)) or contact the school office by 17th July 2023. We aim to hold the first meeting in September, where we will discuss the terms of reference for the committee and upcoming fundraising initiatives.

We believe that your involvement can significantly contribute to the vibrant and caring community that we strive to cultivate at our Academy. We hope to have many of you join us on this journey of continuous improvement and community engagement.

Thank you for considering this invitation. If you have any questions or would like more information, please do not hesitate to contact me.

Yours Sincerely,

Mr S. Addison
Principal
