

Dear Community,

The **South Bend School Foundation** is now sponsoring the SB community birthday calendar. Proceeds will go to support the foundation and the students of the South Bend School District. This calendar has existed for the past 58 years. This is an opportunity to put the birthdays and other important dates of your family on the calendar. This calendar is a wonderful tool for keeping track of sporting events, early dismissal days, and community meetings. If you would like to purchase a calendar, please write in the desired birthdays and anniversaries that you want to appear on your calendar. The cost for purchasing a calendar is **\$8.00**.
