JDCSD,

I hope this message finds you all in a Jagellent mood and good health! As we embark on a new school year I want to take a moment to express my appreciation for the incredible efforts and resilience shown by each one of you during the 2022-2023 school year.

As we navigate 2023-24, my commitment as your superintendent remains steadfast. I will continue to make it a priority to provide a safe, inclusive, and nurturing environment where every student can thrive academically, emotionally, and socially.

I encourage students to explore their talents and challenge themselves academically. Each one of you has the potential to achieve "Excellence" or as we say in JDCSD, "Jagellence", and we are here to guide and support you every step of the way.

To the parents and guardians, I extend my gratitude for your partnership and involvement in your child's education. Your support is invaluable, therefore, it is my hope that parental involvement improves this school year.

To our dedicated teachers and staff, I commend you for your daily dedication to the whole child when it relates to our Jaguar scholars. Your passion and commitment to education are the driving force behind our district's success.

As we move forward, let us continue to foster a culture of respect, empathy, and understanding, the JaguarWay.

I look forward to the achievements and milestones we will reach together. Let us embrace the opportunities for growth and make this school year one filled with positive experiences and memorable moments.

Thank you all for being an essential part of our school community, and for your support and trust in my leadership. Together we will make the 2023-2024 school year, a fantastic year, filled with learning, discovery, and high expectations.
