

Scholarship INFORMATION for seniors

The 2023-2024 Lloyd F. Hutt Scholarship is now open.

Lake Michigan Credit Union (LMCU) is thrilled to be offering the Lloyd F. Hutt Scholarship for the 34th year. Since 1990, we are proud to have provided over \$540,000 in scholarships to 312 deserving students. Through Lake Michigan Credit Union's Hutt scholarship program, every year 20 high school seniors are selected from a field of applicants to receive a \$2,000 scholarship. All applicants are asked to write an original essay that explores a designated topic.

This year's topic is: ***"LMCU is celebrating its 90th birthday. What would you like to see celebrated by the time you're 90?"*** The 2023-2024 scholarship period officially opens on October 1, 2023, and will remain open until January 5, 2024. Essays will be evaluated by an independent panel of judges, with emphasis placed on creativity, clarity, originality, and passion for the topic.

The Lloyd F. Hutt Scholarship program is one of the cornerstones of LMCU's community support. Originally founded as Grand Rapids Teachers Credit Union in 1933, our founder Lloyd Hutt was a teacher himself. Our roots as a teacher's credit union run deep and are a driving reason behind our passion for supporting education and encouraging students to pursue their dreams. The Hutt Scholarship program continues to honor that legacy by awarding scholarships to high school seniors in the Michigan and Florida communities served by our branches.

We are extremely impressed and proud of the numerous accomplishments of scholarship winners from the past 34 years, and are so grateful to play a role in your students' ongoing pursuit of education.

We encourage you to share information about this scholarship with the seniors at your school, or even assign it as a classroom assignment when appropriate.

We can't wait to see what your students write this year. Seniors can apply at [LMCU.org/Hutt](https://www.lmcu.org/hutt).

Sincerely,

Matt Cook

Vice President of Community Relations
Lake Michigan Credit Union
