Application

OCTOBER

After your visit, you may submit an online application (**with a non-refundable application fee of \$60.00**). Once your application has been processed, an interview will be scheduled between the parent, child, and the School in order to determine if **The Village School** provides an appropriate match for your child. **For Kindergarten age and above**, an in class day visit and an evaluation of student records are part of the interview process used to determine appropriateness of placement. Beginning in January, prospective student who have completed the interview process will be notified with a determination regarding enrollment. **New students are accepted based on availability of open positions in the respective programs.**

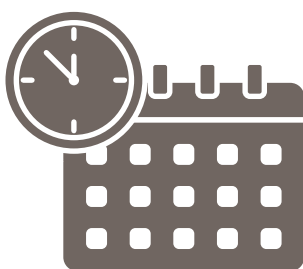

REGISTRATION
