R.Y.A.N.'s Ulster County Youth Rally

- What:** A fun event to promote awareness and provide prevention surrounding the disease of addiction.
- Who:** All Ulster County 9th grade students
- Date:** Monday October 2, 2023
- Time:** 9-12:30 - Buses will begin to arrive at 9:00 on a staggered schedule to avoid traffic congestion. Please be prompt on your arrival time. The program will start promptly at 9:45
DISTRICTS ARE RESPONSIBLE FOR ARRANGING FOR THEIR OWN BUS TRANSPORTATION (as agreed by your superintendent).
- Location:** Ulster County Community College, Gym.

Resources: Various agencies/organizations will be present to provide students with information about healthy alternatives to substance use, where to go if you need help or suspect a friend may need help. We are hoping to have Ulster County Mobile Mental Health to send staff to be on hand following the speaker presentation. It is recommended that your school social worker and guidance personnel be on hand as students return to school in the event students need support. However, they are more than welcome to attend the event.

SPEAKER – MAIN EVENT: Tony Hoffman is rated the number one opioid speaker in the country. Dedicated to promoting awareness, former BMX champion Tony Hoffman shares his life journey from opioids to prison and then rebuilding his life's purpose in recovery.

Goodie Bags - Each student will leave the event with a **FREE RYAN** bag containing a Youth Rally T-Shirt, R.Y.A.N. pamphlet, R.Y.A.N. bracelet, a snack and a bottle of water.

A limited number of additional shirts will be available for purchase for school personnel attending the event.

FOOD: LUNCH WILL NOT BE SERVED. R.Y.A.N. WILL PROVIDE A SNACK (chips or a cookie and a bottle of water). DISTRICTS SHOULD DECIDE IF STUDENTS SHOULD BRING A "BAG" LUNCH. No glass bottles or containers. Please inform your students that the "carry in – carry out" rule applies.

Music/Entertainment: We are asking DJ Eddy Parker to come play music at the event. He will provide the microphone for our Speaker.

Sponsors: We are soliciting a number of sponsors in the community to help RYAN pay for this event. If anyone knows anyone interested in sponsoring the event and supports our mission, please have them email, Randikelder.ryan@gmail.com

Security: R.Y.A.N. will partner with local law enforcement agencies, as well as school administrators from the 9 school districts in UC. We are asking all agencies present to send at least one officer/deputy to the event to maintain security.

REPRESENTATIVES from R.Y.A.N. will be available to attend the monthly Principal's Meeting at Ulster County BOCES prior to the event to answer any questions you may have and provide you with a map of the venue.

Please feel free to contact Randi Kelder from R.Y.A.N. regarding this event at Randikelder.ryan@gmail.com or on her cell, 845-532-8681. Please leave a message.

Randi will be the Primary Contact for the event and all correspondence should go through her.

Following this event, RYAN would like to provide a second event to students where we have 3 local speakers travel to each school and give our assembly program. More details for this will follow, yet it would be ideal to do this in December (right before Christmas break) or to do it in the Spring (right before Spring break).

The idea of this piggy back event would be to give the students a second wind on the opioid epidemic, the dangers of it, and a real life perspective from normal individuals just like themselves. By doing a second event, it will also keep the event fresh in their minds. Not necessary but if schools are interested please let me know!!

We look forward to working with the schools to provide this event for our youth!
