Orientation

Debora Baird said that most likely there will be a training next month. She briefly explained how each school has a school land trust. The purpose of the Community Council is to decide how that money gets used.

From this time going forward Principal Eason will take over the budget spreadsheet

The following terms were defined: TSSP or Teacher Student Success Plan (Academics that are measurable, English, Language Arts, Math and Science), Land Trust Plan (budget can be used for behavioral but it must be tied to academic improvement), and TSSA (This is at the principal's discretion). Members can review the website that was sent by e-mail.

Also, to access the previous TSSP on the school webpage, go to School Information, School Improvement Plan.
