MEET TOM TAYLOR!

Our new Head of School, Tom Taylor, looks forward to meeting all of the special people in our students' lives. We will have a variety of programming options so everyone has a chance to meet and talk with Tom. Check your schedule for more info.

WILD ABOUT BOOKS

Learn more about how Paideia students and staff share their love of books and reading! Check out the “What I’m Reading” signs posted throughout the Elementary, Junior High, and High School. Visit the Elementary Library and meet our librarians. Stop by the High School Art Lobby or the Junior High Lobby and browse titles of new books to purchase and donate to Paideia. At the Junior High, learn more about the Reading Bowl competition the students will be participating in this year.

PAIDEIA'S GOT TALENT!

Enjoy the musical stylings of Paideia's very own Concert Band and Jazz Ensemble on the High School Plaza. Our talented students will play a variety of selections, from popular songs and movie tunes to more traditional concert band pieces.

Stop by the High School Art Lobby or the Junior High Lobby to see the most recent student artwork on display.

All-Day Activities

- Write a letter to your student.
- Purchase Pi Wear—the latest styles of T-shirts and gear.
- Take a photo with your student with a professional photographer.
- Examine and discover treasures from Paideia's archives.

FOOD IS COMMUNITY

Check in on the Campus Green (for Elementary and High School visitors) or the Junior High Building and then join other grandparents and special friends for coffee and pastries.

Catered lunches will be provided for grandparents and special friends. *Please note that your student will bring their own lunch for the day, but we hope you will enjoy eating together!* If you are visiting multiple students, you may choose which lunchtime works for you. See your personalized schedule for more information.

Get an Inside Look

Throughout the day, our admissions staff will lead tours of various highlights of Paideia's campus. Review your personalized schedule for tour times and locations.

Getting around Campus

Parking for the day is available at various locations on main campus and near campus. Please refer to the map on the reverse. Guests who are visiting a Junior High student will have limited parking options at the Junior High Building. We will provide golf cart transportation on the main campus and a shuttle bus for those who are visiting students both on the main campus and at the Junior High Building.
