

Text Analysis

Method 1:

Highlight:

*Main Ideas

*Key Details

*Important Vocabulary

*Dates, people, places and WHY they are important

AND

Annotate (Make Small Notes): Use post its or write in text margins

*Brief summaries (Only a few words)

*Questions you still have

*Personal connections you have to the text

Method 2:

*Circle unknown Words

INTEGRATION

*Put a checkmark next to sentences or paragraphs you understand

*Put a question mark next to sentences or paragraphs you don't understand

*Put an exclamation point next to new or surprising information

*After each paragraph write a brief summary of what you just read

Ex: "This paragraph talked about how a bill becomes a law."
