### The School

College Park High School (CPHS), situated in suburban Pleasant Hill, is one of six high schools in the Mt. Diablo Unified School District. Pleasant Hill has a population of approximately 35,000 and is situated about thirty miles east of San Francisco.

### Faculty

There are 85 teachers serving approximately 2,000 students in grades nine through twelve—we strive for a ratio of 1 teacher to 24 students. This academic year 4 school counselors and 1 college and career adviser (CCA) assist students.

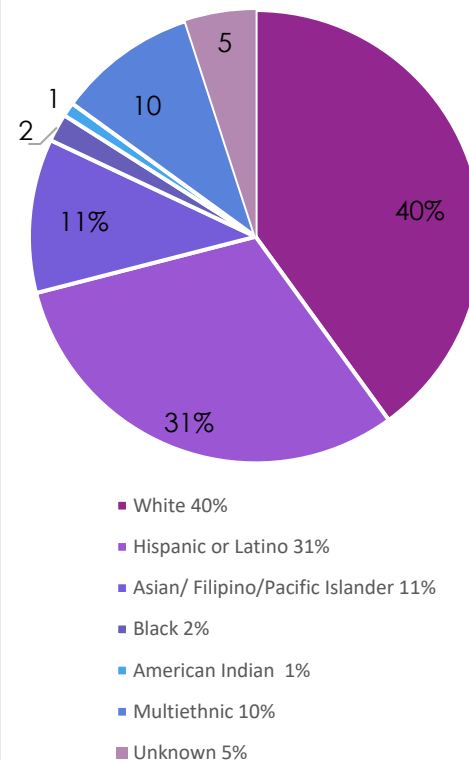

### Student Body

College Park students reflect their surrounding community: about 6.1% English Language learners, 23.1% economically disadvantaged, and approximately 10% first-generation college students. Most families are middle income. Families are responsible for transporting their student to and from school, as there are no school buses.

### COVID UPDATE:

Beginning on March 13<sup>th</sup>, 2020, classes were held remotely. A full in person return took place on August 12, 2021. During the Spring and Summer sessions of 2020 a CR/NO CR grading system was implemented.

## Academic Requirements and Grading

Our school offers a majority of college preparatory classes that are UC/CSU approved classes. The school year is divided into 2 semesters, each consisting of two quarters. Grades are issued at the end of each quarter and the end of each semester. In each class, a student receiving a passing grade for the semester is awarded 5 credits. All classes receiving credit are included in the computation of total GPA and class rank. A full course load would normally comprise 6 classes.

The grading system at CPHS is as follows with grade point values, where applicable, listed in parenthesis:

<b>Outstanding</b>	A=90-100 (4pts)
<b>Above Average</b>	B=80-89(3pts)
<b>Average</b>	C=70-79(2pts)

<b>Below Average</b>	D=60-69(1pts)
<b>Failing</b>	F=Below 60(0pts)
<b>IC</b>	Incomplete
<b>NC</b>	No credit
