

COMPREHENSIVE SCHOOL IMPROVEMENT PLAN

MCKAY HIGH SCHOOL 2023-2024

If at McKay we...

INSTRUCTION

Increase the number of students passing classes by implementing Tier 1 (school wide instruction and behavior strategies, supports and interventions) with consistency and fidelity...

LEADERSHIP

Increase the number of English Language Learners who are on track to graduate by implementing equitable, consistent, schoolwide grading practices in all classes, focusing on proficiency of the standard...

SYSTEMS

Increase attendance rates by strengthening systems of proactive engagement and communication with students, families and community...

CULTURE

Increase student sense of belonging by implementing systems that center student voice and agency in scheduling, CCR planning and curriculum, culture of the school, and course offerings...
