Preamble

This Master Contract is entered into by and between the Board of School Trustees of the Fort Wayne Community Schools, hereinafter called the "Board," and the Fort Wayne Education Association, Inc., an affiliate of the Indiana State Teachers Association and the National Education Association, hereinafter called the "Association." The Board and the Association recognize as their mutual goal the providing of a quality education for all students of the School District. The achievement of such a goal is directly related to quality and morale of all employees and requires the cooperation and understanding between the Administration and teaching staffs. The following Master Contract covering certain terms and conditions of employment for teachers has been developed through negotiation between the Board and its representatives and the Association and its representatives.

Definitions

1. The terms “Board,” “Administration” and “Association,” when used in this Contract, shall include authorized officers and designated representatives.
2. The term “hourly rate,” unless otherwise specified, is computed using the teacher’s base salary divided by a number determined by multiplying the number of contracted days times the minimum number of work hours in a work day.
3. System of Support is the FWCS teacher-evaluation system, designed to support and encourage professional growth to ensure that each teacher is providing effective instruction to all students. The System of Support uses a modified version of the Indiana RISE Rubric which tracks four domains of teacher effectiveness (Purposeful Planning, Effective Instruction, Teacher Leadership and Core Professionalism) as well as student data to assign teachers to one of the four rating categories required by IC 20-28-11.5-4(c)(4).
4. Final Observation Rating is a calculation of the rating of the four domains in the FWCS System of Support. Teacher competencies are rated and a final rating given for each domain, are calculated to determine the final observation rating.
5. Final Summative Rating is the Final Summative Observation Rating combined with applicable student data for a school year in which a teacher was paid at least 120 school days.
6. Rating Categories:
 - a. Highly Effective;
 - b. Effective;
 - c. Improvement Necessary;
 - d. Ineffective.
7. Base Salary is the salary of a teacher which continues from year to year absent a change in employment status.
8. A stipend is a single lump sum payment which does not continue and which does not become part of the Base Salary.
9. An index is a salary payment included in pay for additional duties, responsibilities or other reasons.
10. A content area is a subject or field of knowledge or expertise that appears on a license that reflects that the license holder has met necessary testing and/or preparation/training requirements. Under the licensing rules found at 511 IAC, the term “content area” describes instructional areas, school services areas, and administrative areas.

Article 1: Recognition

The Board recognizes the Association as the exclusive representative for teachers, described and defined as

All professional personnel employed by the Board whose official assignment requires a classroom teacher's license or Indiana Workplace License, including coaches, interventionists, and any teacher on special assignment, but excluding the Superintendent and Assistants, Area Administrators, Directors and Assistants, Supervisors, Principals and Assistants, Guidance Personnel and employees serving as Substitute Teachers. Any teacher who regularly teaches one or more classes shall belong to the teacher bargaining unit with all the rights, benefits, and privileges thereof.

The Board recognizes the value of services provided by the Association to all teachers, not just members. The Board encourages teachers to become active members, and provides for Association involvement in new teacher orientation and will provide membership and enrollment information with new employee materials. This provision was not bargained and is included for informational purposes only.

This recognition shall be continuing until such time as the Board is shown evidence in accordance with I.C. 20-29-5 et seq. and 560 IAC 2-2.1-1 that the Association is no longer the representative of classroom teachers.

Article 2: Grievance Procedure

- A. A grievance shall be defined as an alleged violation of an express provision of the master contract within the scope of bargaining, per I.C. 20-29-6-4.
- B. If a potential grievance involves an individual teacher, it shall be discussed informally with the building principal. The teacher may involve the Association's building representative in the discussion at the teacher's option.
- C. If after this discussion, the teacher believes there is a basis for a formal grievance, or if the Association believes there is a basis for a class grievance, the aggrieved party shall file a written grievance with the building principal or Employee Relations Department no later than seven school days after the occurrence that gave rise to the alleged grievance or after the aggrieved party became aware of the occurrence, whichever is later.
- D. Within ten school days of the filing of the grievance, the parties shall meet to review it, gather facts and discuss possible resolution. If the grievance is not resolved, a written answer with copies to all concerned shall be returned within five (5) school days of the meeting. In the event that a meeting is not held, or no answer is given within the time required, the grievance shall advance to the next step.
- E. If the grievance is not resolved at the meeting or by the written answer, or if no answer is given, the aggrieved party may, within twenty school days after the filing of the grievance, file a notice of arbitration with the Joint Communications Committee. The grievance shall be discussed at the next meeting of the Joint Communications Committee. If it is not resolved, either party may request arbitration.
- F. Arbitration is requested by letter, with a copy to the non-requesting party, to the American Arbitration Association requesting that they select an impartial arbitrator and conduct the arbitration proceedings. Both parties agree that the American Arbitration Association shall conduct the arbitration according to its rules. The arbitrator may apply this agreement to the case under consideration but shall have no authority to add to, subtract from or modify the terms of this master contract. If within the terms of his/her authority, the decision of the arbitrator shall be final and binding on the parties. Upon request, the parties shall exchange information reasonably necessary to prepare for any scheduled arbitration, including lists of witnesses and exhibits.
- G. The Joint Communications Committee may, at any time between the informal building level discussion and arbitration, agree to suspend all timelines to gather

information, attempt mediation or otherwise interrupt the process. Any such suspension of timelines shall be documented in writing. Unless suspended, time limits shall be strictly observed.

- H. The Association shall be informed prior to any adjustment. No adjustment shall take place contrary to negotiated policy.
- I. The cost of the American Arbitration Association arbitrator shall be shared equally by the parties.
- J. All grievances initiated prior to the expiration of this contract shall be resolved according to this grievance procedure.
- K. The rules and regulations of the American Arbitration Association shall be followed if expedited arbitration is utilized on any dispute regarding this contract.
- L. All documents, communications and records dealing with the processing of a grievance shall be filed separately from the personnel files of the participant. The documents, communications and records shall not become part of any file that is utilized in the promotion process nor shall they be used in any recommendation for job replacement.

Article 3: Absence and Leave

A. General Provisions

- a. Teachers needing to be absent for reasons set forth in this Article shall notify their principal or designee and specify the category and length of the leave in order that a substitute may be obtained.
- b. A teacher returning from a leave of absence in excess of six (6) months is not guaranteed a return to his/her former position unless required by law. The teacher is guaranteed a position if an open position for which the teacher is qualified exists.
- c. Teachers shall not have any leave days deducted when school is closed by the Superintendent, the School Board, or a governmental entity.
- d. All leave must be taken in four- or eight-hour increments.
- e. Any teacher who is absent from school under a paid absence category of this contract shall not lose pay for hours from the paid category involved if the school(s) is/are closed by the Board, the Superintendent, or a governmental entity and as long as a substitute was not paid for the day.
- f. Fort Wayne Community Schools complies with the provisions of the Family and Medical Leave Act regarding consecutive and intermittent leave. Teachers may be granted intermittent leave and/or a reduced schedule. If intermittent leave and/or a reduced schedule cannot be accommodated due to the needs of the classroom, teachers may remain as contract substitutes until the end of their leave or the end of the semester in which the leave is requested, whichever is later.

B. Personal Illness

A full-time teacher shall be allowed eighty (80) hours (ten days) each school year with full pay, cumulative to a total of 960 hours (120 days), for personal illness. Benefit hours for less than full-time teachers are pro-rated. FWCS will recognize up to 120 days (960 hours) of accumulated personal illness leave from a new teacher's prior school corporation, but per I.C. 20-28-9-10 may only recognize three days (72 hours) per year, beginning with the teacher's second year of employment with FWCS. If it becomes necessary to use three consecutive days (24 hours) in a school year because of personal illness, teachers must notify their unit head as FMLA paperwork will need to be sent to the employee.

C. Family Illness

- a. Twenty four (24) hours (three days) per school year shall be allowed for illness in the teacher's family. Unused family illness hours may be carried over to the next school year and shall accumulate to a maximum of seventy two (72) hours (nine days). If it becomes necessary to use three consecutive days (24 hours) in a school year because of illness in the family, teachers must notify their unit head as FMLA paperwork will need to be sent to the employee. Any family illness hours exceeding the allowed maximum shall be credited to the teacher's accumulation of personal illness hours.
- b. A teacher who has used all family illness hours shall be allowed to use forty (40) personal illness hours (five days) per school year to accommodate family illness. Teachers must communicate to their principal that these personal illness hours are for family illness, so that Human Resources and Payroll can accurately track leave. Such requests shall be directed to the teacher's building principal or unit head.

D. Personal Business

Each teacher, according to law, shall be entitled to 16 hours (two days) for the transaction of personal business and for the conducting of personal or civic affairs during each year of employment. Only under exceptional circumstances may a teacher request the use of personal business hours to extend the following holidays:

- Labor Day
- Fall Break
- Day before Thanksgiving
- Thanksgiving
- Winter Break
- Martin Luther King Jr. Day
- Good Friday, or Presidents' Day if Good Friday falls during Spring Break
- Spring Break

Teachers may not take personal business hours to extend a holiday unless approved by their principal, the Human Resources Department and the Chief of School Leadership.

Any unused personal business hours shall, at the end of each school year, be credited to the teacher's accumulation of personal illness hours. A teacher who

has used all personal business hours shall be allowed to use sixteen (16) personal illness hours (2 days) per school year to accommodate personal business, but personal business leave may only be used in increments of two consecutive days (16 hours) at a time.

E. Bereavement

- a. Teachers absent due to a death in their family shall be allowed up to forty (40) hours (five days) for leave time. Such hours shall normally begin immediately following the death, but may be taken within a sixty-day period following the death.

 - spouse
 - children (including children of whom the teacher has legal guardianship)
 - step-children
 - parent
 - step-parent
 - grandparent
 - grandchild
 - sibling
 - step-sibling
 - parents-in-law
 - brother-in-law/sister-in-law
- c. Twenty-four (24) hours (three days) shall be allowed per school year for deaths not included in the definition of family above.
- d. In cases of extenuating circumstances relative to deaths, the teacher through the principal shall refer questions to the Joint Communications Committee.

F. Court Responsibilities

- a. A teacher called for jury duty will receive regular pay.
- b. A teacher subpoenaed as a witness will receive regular pay for the time involved if the subpoena is for testimony concerning events occurring on the teachers job, except those subpoenaed by the Association in a suit against the Fort Wayne Community Schools.

G. Pay for National Guard or Reserve Duty

A teacher who is a member of a recognized reserve component of the Armed Forces of the United States or the National Guard shall be entitled to a leave of absence for annual required active duty training.

A teacher shall be paid at the regular rate of pay for a period not to exceed 120 hours (fifteen (15) days) each school year. It shall be the obligation of the teacher to furnish acceptable evidence of training time and payment therefore to the payroll department and to reimburse the District for the amount of payment.

H. Pregnancy and Parental Leave

a. Childbirth

i. Paid leave for childbirth

1. Pregnancy of the teacher and childbirth. Pregnancy of the teacher is considered a period of temporary physical disability entitling teachers to use their accumulated personal illness or personal business hours for paid leave. Additionally, teachers who participate in the Sick Leave Bank may use hours from the Bank if otherwise eligible.
2. Birth of a teacher's child. For the birth of a teacher's child other than by pregnancy of the teacher, twenty-four hours (three days) paid leave shall be available to take immediately following the birth of the child if all family illness and/or personal business hours have been used.

b. Adoption

- i. Paid Leave for Adoption. Teachers may use their accumulated personal business hours for paid leave for the adoption of a child by a teacher. Additionally, teachers are eligible for up to forty (40) hours (five days) of paid leave for adoption after they have used their personal business days.

I. Association Leave

The Association, through its president, shall be granted 200 hours (25 days) of paid leave each school year to be used for Association activities.

J. Paid Professional Leave

- a. Whenever the District requires a teacher to attend a professional learning conference or event during the school day, the teacher will be given paid professional leave. Expenses, if any, will be reimbursed in accordance with District policy.

- b. Speech Language Pathologist Certification. Speech Language Pathologists may attend the ASHA State Convention on a two-year rotation with 48 hours (two days) of paid leave in order to satisfy state and federal licensure requirements

K. Reimbursement for Unused Leave

Teachers may return to the Corporation unused personal illness, family illness, or personal business hours subject to the following terms:

- a. Reimbursement shall be paid for increments of eight hours, in the form of a stipend at \$40 per eight hours (1 day).
- b. The stipend payment shall be made annually in June at the end of each school year.
- c. Teachers who retire in the middle of a school year must return the appropriate form to HR by their last day of employment. They shall be reimbursed for unused hours within one calendar month.
- d. Teachers who are terminated or resign prior to the last day of school are not eligible for reimbursement for unused leave.
- e. The maximum number of hours for which a teacher may seek reimbursement is 80 personal illness hours (10 days), 24 family illness hours (3 days), and 16 personal business hours (2 days).
- f. Hours reimbursed will not be credited to the maximum accumulation for each category of leave.

L. Stipend for Providing Retirement Notice

- a. Teachers who:
 - i. Provide official retirement notification by February 1;
 - ii. complete the school year; and
 - iii. use no more than ten (10) of their personal illness, family illness, and personal business days in the retirement year will be paid five (5) percent of that teacher's individual base salary to be paid following completion of the school year. Donation of a day to the Sick Bank by a retiring teacher does not constitute the use of that day for purposes of the five (5) percent additional payment. All payments to be paid as wages on the employee's final pay; however, employees may elect to make a lump sum wage deferral to an existing 403(b) account on their final pay by submitting a

special election form to Human Resources by the last teacher workday of the school year.

M. FWEA President

Upon request by the FWEA, the FWEA President shall be released by the School Board from his or her teaching assignment to carry out the duties of the President as a teacher on special assignment. The FWEA shall pay the President's appropriate salary and the Board shall provide the President with insurance, fringe benefits and all other rights equivalent to a full-time teacher provided in the contract. At the conclusion of the term in office, the President shall return to his/her former teaching assignment or an equivalent placement with salary to include increases awarded to other teachers while on special assignment.

N. Sick Bank

The Sick Leave Bank is a program where regular-contract teachers contribute personal illness or business hours to a bank, to use if their individual personal illness and business hours are exhausted and they experience a long-term illness or surgery. Teachers may join the Sick Leave Bank only during an open-enrollment period.

Human Resources shall send the Sick Leave Bank Letter to all teachers reminding them of the Sick Leave Bank policies set forth herein within the first thirty (30) workdays of each school year. The open-enrollment period is defined as two weeks immediately following the date the Sick Bank Letter is sent, or for newly-hired teachers, the teacher's first thirty (30) days of employment. During open-enrollment, every eligible teacher will be given the opportunity to participate in the Sick Leave Bank by contributing eight (8) hours from their sick leave allotment. Only participants in the Bank are eligible for access to Bank hours. Any teacher in need of additional sick leave hours may apply to the Joint Sick Leave Committee for consideration of the request. The criteria that must be met by the teacher applying for Sick Leave Bank hours are:

- a. Teachers must have exhausted all of their personal illness and business hours before they request hours from the Sick Leave Bank;
- b. In order to be eligible to use Sick Leave Bank hours, teachers shall have been absent due to personal illness at least six (6) consecutive school days immediately prior to the day they request hours from the Sick Leave Bank. If all benefit days have been exhausted, teachers will not be paid until they accumulate six (6) consecutive school day absences at which time Sick Leave Bank would begin;

- c. The Sick Leave Bank hours requested shall apply to days prior to the date when the teacher's long-term disability insurance could or would commence, and
- d. The Sick Leave Bank hours shall take effect immediately following the exhaustion of the teacher's personal sick leave and personal business providing the above conditions have been met.
- e. Teachers must submit a letter to Human Resources requesting Sick Leave Bank hours along with a medical document from their doctor stating the reason for the request.

The Joint Sick Leave Committee consisting of the Executive Director of Human Resources or designee and the Association President or designee shall administer the Sick Leave Bank.

The Board will provide the Joint Sick Leave Committee with accurate accounting of the number of hours and the names of participating teachers in the Sick Leave Bank as requested by the Joint Sick Leave Committee.

Any hours left over at the end of the school year shall carry over to succeeding years.

Teachers with fewer than six FWCS contracts will be provided a maximum of 160 hours from the Sick Leave Bank. Teachers with six or more FWCS contracts will be provided an additional 160 hours for a maximum of 320 hours from the Sick Leave Bank.

Temporary and substitute teachers who are not regular-contract teachers and are not eligible for participation in the Sick Leave Bank.

The Joint Sick Leave Committee may grant access to the Sick Leave Bank due to catastrophic illness or injury of a teacher's dependent on a case-by-case basis. Teachers must submit a letter to Human Resources requesting the special exception and provide medical documentation of the injury or illness. Teachers must have exhausted all of their family illness leave, five days (40 hours) of their personal illness leave for a family member, and all of their personal business leave before requesting leave from the Sick Leave Bank. If the Committee grants the exception, all other Sick Leave Bank rules pertaining to consecutive absences and maximum allowable hours shall apply.

C. Salary Range

The salary range for all teachers (from the 2021-23 Master Contract) prior to any increases was \$42,306 to \$77,330

The salary range for all teachers after transitioning to the 2023-24 Salary Schedule is \$46,627.00 to \$78,690.00

The salary range for all teachers after transitioning to the 2024-25 Salary Schedule is \$47,093.00 to \$79,156.00

D. Compensation Schedules

- a. The Compensation Schedules can be found in Appendix A.
- b. Schedule Transitions. Increases in teacher salaries that occur in transition to the updated Compensation Schedules are based on academic needs. Teachers who are eligible to transition will remain on the same row and column.
- c. Salary Progression.
 - i. Advancing Rows. All teachers who satisfy the evaluation factor will advance one row on the Schedule.
 - ii. Advancing Columns. Teachers on the Workplace Specialist/Bachelor's Column who satisfy the education factor will advance to the Master's Column in addition to advancing a row.
 - iii. 2023-24
 1. The salary increases for entry-level teachers (row A to B) who advance both one column and one row on the 2023-24 Compensation Schedule will total \$924.00; that is \$635.00 for advancing one row and \$289.00 for advancing one column; evaluation = 69%, education = 31%.
 2. The salary increases for second-year teachers (row B to C) who advance both one column and one row on the 2023-24 Compensation Schedule will total \$925.00; that is \$636.00 for advancing one row and \$289.00 for advancing one column; evaluation = 69%, education = 31%.
 3. The salary increases for all other teachers (row C to D and above) who advance both one column and one row on the 2023-24 Compensation Schedule will total \$1,569.00; that is \$1,271.00 for advancing one row (\$636.00 for experience, \$635.00 for evaluation) and \$289.00 for advancing one column; experience = 41%, evaluation = 41%, education = 18%.
 - iv. 2024-25
 1. The salary increases for entry-level teachers (row A to B) who advance both one column and one row on the 2024-25 Compensation Schedule will total \$931.00; that is \$642.00

for advancing one row and \$289.00 for advancing one column; evaluation = 69%, education = 31%.

2. The salary increases for second-year teachers (row B to C) who advance both one column and one row on the 2024-25 Compensation Schedule will total \$918.00; that is \$629.00 for advancing one row and \$289.00 for advancing one column; evaluation = 69%, education = 31%.
 3. The salary increases for all other teachers (row C to D and above) who advance both one column and one row on the 2024-25 Compensation Schedule will total \$1,560.00; that is \$1,271.00 for advancing one row (\$642.00 for experience, \$629.00 for evaluation) and \$289.00 for advancing one column; experience = 41%, evaluation = 40%, education = 19%.
- v. At the conclusion of the 2024-25 school year, teachers on the senior-level rows of the Bachelor's and Master's Columns who are eligible for salary increases based on their evaluations will receive a one-time stipend in the amount of \$1,000.00.
- d. FWCS will exceed the 50% cap on salary increases related to education and experience, per Ind. Code § 20-28-9-1.5(b)(1).
- i. In 2023-24, the combination of education and experience will total 59% for teachers in their first year of possessing a master's degree, for teachers moving from row C to D and above.
 - ii. In 2024-25, the combination of education and experience will total 60% for teachers in their first year of possessing a master's degree, for teachers moving from row C to D and above.

This is permissible per Ind. Code § 20-28-9-1.5(d), because smaller increments between rows were necessary to raise the starting salaries for entry-level teachers. The parties negotiated these increments to reduce the gap between the minimum teacher salary at FWCS and the average of the minimum and maximum teacher salaries.

E. Redistribution

Any funds otherwise allocated for teachers who were rated ineffective or improvement necessary will be equally redistributed to all teachers rated effective or highly effective. The redistribution will be in the form of a stipend that will be paid at the end of the school year.

F. Dual Credit Certification

Teachers who

- a. are currently teaching or are scheduled by FWCS to teach a dual credit course at FWCS during any school year; and
- b. are required to complete additional coursework to continue or begin teaching a dual credit course at FWCS; and
- c. have not completed the additional coursework that is required to teach the dual credit course prior to the 2021-22 school year; and
- d. complete the additional coursework prior to June 30, 2025.

will receive a one-time \$3,500.00 stipend within thirty (30) days of proof of credits received for the completed coursework by submission of a transcript.

G. Pay for Ancillary Duties

a. Teacher Travel

Any teacher required to travel as a regular practice to two buildings per day, including work-oriented study and community-based teachers, in his/her teaching assignment shall receive an additional \$2,050 per school year. Interdisciplinary Cooperative Education (ICE) Teachers working out of high schools shall receive \$2,050 per school year. Those working out of the Career Center and also teachers traveling to more than two buildings on a regular basis shall be compensated \$3,050 per school year. The amount will be prorated at the rate of one-fifth of the total amount for each day of the week in which the teacher travels. The travel pay shall be paid through payroll. This is the total compensation for the personal use of their vehicle – not in addition to mileage.

Elementary Special-Area Liaisons are eligible for mileage reimbursement on travel days consistent with District policy.

b. Curriculum Development

Any teacher who is contracted for curriculum development work for the Fort Wayne Community Schools either during the school year after normal school hours, or during the summer, shall be paid an hourly rate of \$30.00.

c. In-Service Professional Learning – Teacher

- i. Presenter Rate: Teacher's hourly rate (presentation time only plus one hour)
- ii. Participant Rate: \$25.00 per hour rate

Pay shall be computed to the nearest fifteen (15) minutes based on the actual time in attendance. This provision shall not require in-service to be paid, but shall only establish the rate at which paid in-service is compensated.

d. Non-Supplemental Contract Work

Compensation for non-supplemental contract work and enrichment programs will be \$30.00 per hour.

e. Compensation for Class Coverage

i. Pilot

This will remain a pilot program for the 2023-24 and 2024-25 school years. The parameters of this pilot program were not bargained, and are included for informational purposes only.

ii. Absence Requirement

Teachers will only receive compensation for classroom coverage if the teacher for whom they are covering is designated as absent – out for at least four hours (one half day). Coverage for teachers who are not absent (e.g. special education teachers of record during case conferences) is not compensable.

iii. Loss of Preparation Time

Teachers will receive compensation when they give up District-designated preparation periods (planning time) for class coverage due to the absence of another teacher following parameters established by the Board which were not bargained.

iv. Splitting Classes

Teachers will receive compensation when principals place additional students in their classes, due to the absence of another teacher. FWCS will proportionately divide compensation among covering teachers per parameters established by the District, which were not bargained.

v. Compensation

Time accumulated during a school year will be paid at the rate of \$115.00 per school day, or \$16.75 per hour of coverage, based on the average length of the instructional day.

vi. Payment

FWCS will pay teachers for class coverage in November, February and June. Only teachers who remain employed at the time of payment are eligible to receive compensation for accumulated classroom coverage.

f. Cocurricular and Athletic Positions

Stipends paid for cocurricular and athletic positions can be found in Appendix B.

These positions are held at the will of the Board. In the event that a season or activity is cancelled, shortened or modified in any way due to any cause beyond the control of the Board (including but not limited to acts of God, accidents, riots, war, terrorist act, epidemic, pandemic, quarantine, natural catastrophes, governmental acts of omissions, changes in laws or regulations, national strikes, fire or explosion) the Board may elect to stop or make partial payment of cocurricular and athletic stipends at its sole discretion.

If separate pay is to be divided between two or more individuals, it must be divided into 25% increments. This language illustrates how the below-referenced bargainable wages may be divided. The number of positions was not bargained.

g. Kindergarten Conferences

All kindergarten teachers shall be paid a \$200.00 stipend for conferences to meet new students and their parents.

H. Pay for Athletic or Cocurricular Events

Teachers who work an athletic or cocurricular event ~~particular job~~ outside of their official workday, shall be compensated within the following rates:

Tournament (per game)	\$25
Reserve or Varsity game	\$25
Football Varsity games	\$50

Reserve and Varsity	\$40
Varsity and Varsity	\$50
Supervisor (in absence of AD)	\$50
Technology/Streaming (at participating secondary schools)	\$50

I. Payroll Deductions

- a. Deductions for school-year teachers for daily absences not covered by provisions listed under Article 3 shall be made at the daily rate as appropriate of the contracted salary.
- b. Payroll deductions for teachers are limited to the following:
 - i. Federal Income Tax
 - ii. State Income Tax
 - iii. FICA (Social Security and Medicare)
 - iv. Optional employee ISTRF Contributions
 - v. Group Health Benefits
 - vi. Short term disability carrier
 - vii. Life Insurance
 - viii. Credit Union
 - ix. United Way
 - x. County Tax (if applicable)
 - xi. Section 125
 - xii. Arts United
 - xiii. Garnishments
 - xiv. Child Support
 - xv. Pre-employment expense
 - xvi. Critical illness insurance
- c. Teachers may authorize reductions for tax-sheltered annuities quarterly or within 30 days of initial employment.

J. Miscellaneous

- a. Any teacher who incurs expenses for damage or destruction of eyeglasses, braces, or personal items because of the actions of a student or students shall be reimbursed for replacement cost by the Board.
- b. Pursuant to IC 20-28-7.5-8, if a teacher resigns from FWCS to work for another Indiana public school corporation at any time during the school year or less than fourteen (14) days before the day on which the teacher must report for work for FWCS, the Board may decline the teacher's resignation for thirty (30) days from the date written notice was delivered by the teacher to FWCS.

Article 7: 2003-2004 Severance Benefits

A. Prior Agreements' Severance Benefits

This Article only applies to teachers who received the Buy Out of severance benefits under the 2003-2004 Agreement.

B. Vesting Requirements

A teacher becomes vested in the Buy Out benefits of the 2003-2004 Agreement so that there is no forfeiture as follows:

- a. For the VEBA contribution and 50% of the retirement contribution of Section C, ISTRF eligibility plus age 55 and 15 years of service with FWCS.
- b. For the other 50% of the retirement contribution, ISTRF eligibility plus age 50 and 10 years of service with FWCS.

C. Forfeitures

- a. The accounts of teachers terminating employment prior to meeting vesting requirements shall be re-distributed to participating teachers.
- b. Amounts forfeited upon termination of employment because of the failure to meet the applicable vesting requirements shall not be reinstated or re-credited if an individual is subsequently rehired or reemployed by the school corporation. However, if the Board approves a leave of absence of an employee, such period of leave shall not result in forfeiture, provided the employee shall promptly return to employment following the expiration of the period of leave. In the case where an employee is RIF'd, his/her account will not be forfeited if said employee is recalled and he/she accepts the recall; provided, however, that the period of leave or RIF may not exceed three (3) years without forfeiture.
- c. VEBA. If an employee retires or otherwise terminates employment before satisfaction of the requirements set forth in subsection B of this Article, the terminated employee's VEBA account shall be forfeited. Forfeited amounts shall be reallocated at the end of each plan year only among the then remaining separate VEBA accounts. This reallocation shall be in a manner similar to that used by initially determining the present value calculations. Therefore, the VEBA accounts of the following employees will not share in the reallocation of a forfeiture of a VEBA account:

- i. Employees who forfeited their VEBA accounts in the same year;
- ii. Employees who previously forfeited their VEBA accounts; and
- iii. Employees who have attained the age of fifty-nine (59) and terminated employment in or before the year of the reallocated forfeiture.

Furthermore, VEBA accounts of employees who have attained the age of fifty-nine (59), but who have not terminated employment may share in the reallocated forfeiture, but on a reduced basis.

- d. If an employee retires or otherwise terminates employment before satisfaction of the requirements set forth in subsection B of this Article, the terminated employee's 401(a) plan account shall be forfeited. The forfeited amounts shall not be returned to the school corporation. Instead, forfeited amounts shall be reallocated at the end of each plan year only among the then remaining separate 401(a) plan accounts in a manner similar to that used in initially determining the present value calculations. Therefore, the 401(a) plan accounts of the following employees will not share in the reallocation of a forfeiture of a 401(a) plan account:

- i. Employees who forfeited their 401(a) plan accounts in the same year;
- ii. Employees who previously forfeited their 401(a) plan accounts; and
- iii. Employees who have attained the age of fifty-nine (59) and terminated employment in or before the year of the reallocated forfeiture.

Furthermore, 401(a) plan accounts of employees who have attained the age of fifty-nine (59), but who have not terminated employment may share in the reallocated forfeiture, but on a reduced basis.

- e. The School Corporation shall not be paid any compensation for its services performed on behalf of the 401(a) plan. All costs incurred in the Administration of the 401(a) plan and investment fees shall be paid from the plan assets.

D. Future Adjustments

The parties agree that this Section, or any other provision of this Agreement, does not constitute an expectation of receiving the enumerated retirement benefits by any current employee, future employee, prospective employee or applicant beyond the expiration of this Agreement. Therefore, except as otherwise limited by applicable law, it is understood that the Board and Association may in the future bargain modifications of any kind to this provision, provided however, that the future revision of this Section shall not affect the retirement benefits of teachers already receiving benefits pursuant to this Section.

Article 8: Effect and Term of Master Contract

A. Effect of Master Contract

- a. The Board and Association agree that the terms and conditions set forth in this contract represent the understanding and commitment between them for the duration of this Contract. Only with the mutual consent of both parties can the negotiation process be reopened to alter or change this Contract during its duration.
- b. Any contract between the Board and an individual bargaining unit member shall be expressly subject to the terms and conditions of this Contract.
- c. Should any Article or portion thereof be declared illegal by a court of competent jurisdiction or be in conflict with any state or federal statute or regulation that has the effect of statute, such Article or portion thereof shall be deleted from the Contract to the extent it violates the law, but the remainder of the Contract shall remain in full force and effect.
- d. This Contract shall supersede any policies or procedures of the Board which shall be contrary to or inconsistent with its terms.
- e. Nothing of this contract abrogates the rights of the individual under existing laws.
- f. By entering into this contract, all prior agreements of any nature whatsoever are hereby terminated and are of no force or effect, the parties having had the right to present any and all issues in bargaining prior to this agreement.
