

The Doggy Times
Friday, September 22, 2023

Dear Parents,

We had a terrific week with Ms. T. She has very tall tooths! We learned all about our teeth and how to keep them healthy and strong. We learned the proper way to brush and floss. We know that we should visit our dentist twice a year. It is also important to eat healthy food to keep our teeth strong. We made a dental care booklet to remind us of how to care for our beautiful teeth!

This week, we learned how to care for our bodies by eating good food and getting plenty of exercise and rest. It is also important to keep our bodies clean. We know that we should get regular check-ups from the doctor, too!

We filled our ABC Books with beautiful turtle pictures and worked in our sound journals. We played with our Tic-Tac-Toe game, our train set and tinker toys at center time. We created a tent in our housekeeping center! It was so much fun!

On Thursday, we had a taste test. We tasted a variety of foods and decided if we liked them or not. We tasted pickles, pretzels, orange peels, cookies and m&m candies. We made a graph of which foods tasted sour, salty, bitter or sweet. It was a very interesting activity! I think sweet was everyone's favorite!

Reminders:

Show and Tell - Something that begins with Nn

September 25th - Spirit Week begins (Little Cardinals will not attend pep rally)

September 29th - Cardinal Fun Run Kick-Off

October 6th - Living Rosary

October 13th - Cardinal Fun Run - early dismissal: Little Cardinals 10:45

October 20th - Virtual School Day (No school for Little Cardinals)

On Tuesdays, we will visit the school library and check out library books! Please return the books by the following Tuesday so that your child can check out a new book. Library is one of our favorite activities!

Have a great weekend!
Cathy and Diane
