Children's Online Privacy Protection Act (COPPA)

The Upper Adams School District works to provide our students with the most effective on-line tools and applications for learning.

In order for students to utilize these programs and services, certain personal information must be provided to the website operator. This information could include student's name, a username, password or a school email address. Under the Children's Online Privacy Protection Act (COPPA) federal law, these websites must provide parental notification and obtain parental consent before collecting personal information from children under the age of 13. For more information on COPPA, please visit <http://www.ftc.gov/privacy/coppafaqs.shtm>.

Please take a moment to review the listing of websites we will be using at <https://goo.gl/uHyHh5> as well as their privacy policies and the terms of service for each site. As new applications are implemented, they will be added to the listing. It is the parent/guardian's responsibility to review this list for updates on an annual basis.

Schools are permitted by law to consent to the collection of personal information on behalf of parents of students; this eliminates the need for individual parental consent given directly to the website operator. Before we give permission, the District is providing you with this notice and giving you the opportunity to opt out of the online learning tools.

If you have an objection to any of the online learning tools listed, please sign the form below and return it to your student's building principal noting the specific websites and/or online tools that you are requesting your student opt out of.

Please note: The District will consider consent has been given for your student to utilize all websites listed if this form has not been signed and received from a parent/guardian indicating otherwise.

Student Name: _____

Student Grade: _____

After review of the listing of websites and as the parent/guardian of the above named student, I object to my student using the following websites (please list each website individually):

Parent/Guardian Signature: _____

Date: _____

NOTE: This document will be distributed upon enrollment of the student in the district, and again, when they enter a new building within the district.
