Board Members:

The Board Packet includes enrollment information as of September 15. We have seen an increase in enrollment this fall compared to our original projections for the 2023-24 school year. Enrollment estimates from around the state are not available yet to know how State School Funding estimates may change. We will update our enrollment numbers with ODE when the opportunity is available.

The auditors, Accuity, Inc. will be onsite in early October to complete the fieldwork for the 2022-23 FY audit. The preliminary unaudited ending fund balance for FY 2022-23 is \$1,606,000. The actual ending fund balance for 2022-23 will be available at the completion of the audit.

The financial reports included in this board packet show an overview of General Fund transactions through August with comparisons from the previous 2 years. Meaningful projections for the year will be available in October, after the September payroll is processed.

The Budget Committee has three vacancies due to term expirations. We will be accepting applications through September 30, 2023. Appointment of the new committee members will take place at the regular October board meeting. Two of the three expiring committee members have requested re-appointment.

August 2023 General Fund Expenditures totaled \$815,433. Expenditures that exceed \$10,000 are as follows:

• COSA	\$ 10,878	(Administrator association dues)
• Fifth Third Bank	\$ 11,115	(Lease payment - Computers)
• Certified Systems, Inc.	\$ 11,150	(Fire Alarm Inspection/Monitoring)
