What we do...

- Help **foster partnerships** and positive communication between families and schools.
 - **Respond to concerns** affecting the special needs community by:
 - Listening to concerns from all member groups
 - Offering information and resources
 - Working to find creative resolutions for families
 - Making parent-to-parent connections
 - **Understand issues** such as:
 - Special Education process
 - Evaluation reports
 - Individualized Education Programs (IEPs)
 - Transition programs
 - **Provide parent support** for families or for attendance at meetings when necessary
 - **Provide information and resources** for issues relevant to students with special needs
 - Make members available for consultation with families or school districts on issues of concern
