Superintendent of Schools

September 11, 2023

Please see the information attached that has been provided by our Technology Department. It is imperative that you familiarize yourself with this information as the cost to repair and replace Chromebooks has increased significantly. The charge for replacing the charger has also increased.

Chromebooks are used in daily instruction and your child/children are responsible for keeping their Chromebooks in their possession at all times.

As always thank you for your support in discussing this with your child and ensuring that they understand the financial burden damaging or losing their Chromebook has on you.

Sincerely,

JoAnne Riviello

Por favor de consultar la informacion que ha sido proporcionada por el departamento de tecnologia. Es imperativo que se familiarice con esta informacion ya que el costo de reparar y reemplazar las computadoras ha aumentado significativamente. Tambien ha aumentado el costo por la sustitucion del cargador.

Las computadoras/chromebooks se utilizan diariamente y su hija/hijo seran responsables de tenerlas en su posesion en todo momento.

Como siempre, gracias por su opoyo. Les vamos agradecer que discutan con su hijo/hija la importancia de tener con ellos diariamente la computadora/chromebook, y que entiendan la carga financiera que tendran los padres si danan o pierden los chromebooks.

Atentamente,

JoAnne Riviello
