TO: Parents/Guardians
FROM: *MMS* Melissa M. Stilley, Superintendent
SUBJECT: Student Surveys

During the next several weeks, Tangipahoa Parish School System students will have the opportunity to participate in online surveys to allow us insight into each student's opinions about the school he or she attends and the school's approaches to learning. These online questionnaires will help students reflect on their mindsets and learn more about themselves. The data collected will be shared for informational purposes only with each child's teachers and school leaders and will not be used for any other purpose. If you have questions regarding this process or if you would like to learn more about how these activities help us meet our school goals, please contact your child's school principal.

If you prefer that your child not participate in this endeavor, please complete the form below and return it to your child's teacher as soon as possible. Thank you!
