

## Concerning Veterans Day and the MMS Wall of Honor

Dear Families,

Each year Memorial Middle School works to honor our family members and friends who have served in the United States Military with a wall of honor. We would like to continue this yearly tradition, and ask that you send in photocopies of pictures of family members and friends you would like to see honored. **Please do not send original photos, as they will not be returned.** If you sent a picture last year, it will be placed on the wall again this year, along with any new pictures that we receive.

Please include your name, the person's name, branch of the military, and their relationship to you on the back of the picture. This way, we may be sure that all who view the wall know who the person is and how they are related to the greater Memorial Middle School family

If you have relatives currently serving overseas, they may email pictures of themselves and their friends as well and I will print them out. Just remember to have them send the requested information along with the picture.

Pictures should be sent to Mrs. Cassidy's attention at Memorial Middle School, or you may have children drop them off in her room, room 208.

If you have any questions regarding the wall, please do not hesitate to contact Mrs. Cassidy at [lcassidy@region15.org](mailto:lcassidy@region15.org).

Your help in honoring our men and women currently in uniform, and those who have served in the past, is truly appreciated.

Additionally, we would also like to invite any Veterans who are available on November 10, 2023 to join us for a celebration honoring their service to our nation. The festivities beginning at 8:45 a.m. will be followed by a reception in the school's foyer. Please let us know in advance so that we may set up the appropriate amount of seating for that day. Email Mrs. Cassidy at [lcassidy@region15.org](mailto:lcassidy@region15.org). Thank you for allowing us to honor you.

Sincerely,

Mrs. LeAnn Cassidy

2023 VFW National CT History and Civics Education Teacher of the Year
