

ANDERSON ISLAND ELEMENTARY NEWS

SEPTEMBER 22, 2023

Good afternoon Eagle Families -

We are finishing another wonderful week at school.

I want to thank you all for coming to the Open House and the school Board meeting last night. It was very clear how passionate you all are about our school, our students, and the community. You represented the Anderson Island Community well. I thank you all for that.

Get out and enjoy the weather this afternoon! We may be seeing some rain in next week's forecast.

Thanks again for all your support for our Eagles! As always, remember to get some rest, get in some reading and get outside to enjoy the last bit of Summer we will see for a while.

Have a great weekend Eagles! See you all next week.

- Mr. Miller
