## Principal News

Good afternoon Eagle Families -

What a great week we had at AIE. We had our field trip to the Johnson Family Farm. We are very grateful to The Farm and AIHS for supporting our Eagles. We got to pick, and eat, apples from the farm. By all accounts, they were delicious!

We are excited to head back out there next month to see and pick their pumpkins. We are all very grateful for their support for the school. The kids loved the field trip and are already talking about the October trip back!

Next week, we have The School Board visiting and holding a meeting here at the school. We are excited to welcome them and show off all the great things our students are doing this year. It's always fun to show off our extraordinary students and great staff. I'm excited for them to see what a great community this is and what excellent students we have!

That's it for now. Have a great weekend, Eagle Families. Remember to get some rest, do some reading, get outside, and enjoy the sunshine! It's going to be a beautiful weekend.

I will see you all next week.

Take care,  
Mr. Miller
