

Carmel Middle School Pantry Pack

Pantry Pack donations go to help feed Carmel Middle School students who would otherwise be going without. Each week, select students are sent home with food for the weekend. Food includes an assortment of pantry items and fresh fruits and vegetables. Students are also given extra food for longer breaks such as Fall Break, Thanksgiving, Winter Break, and Spring Break.

You can help by either donating food items or making a financial contribution. Please see **what we collect** for much needed food items. Place food donations in the Pantry Pack bin located just inside the CaMS main entrance. To help financially, please submit checks to the main office or donate on-line to the PTO "Pantry Pack."

On-line Donations:
