Wausau School District Meal Payment Platform, TITAN Family Portal, Upgraded to LINQ Connect

The Wausau School District meal payments platform, TITAN Family Portal, has upgraded to LINQ Connect. Download the new LINQ Connect app in the Google Play Store or the Apple Store or visit LINQConnect.com to manage all your payments in one convenient location. There's no need to change your username or password. It will all transfer to the new platform for you. Within the LINQ Connect portal, you can set up one-time or recurring payments for your student's meals, view previous transactions, set spending limits, transfer funds between students, set low balance notifications, and more.

Restructuring: An Update

Here at the Wausau School District, we fully recognize that Warjacks has been a popular suggestion as a potential mascot. With that in mind, we will bring the Warjacks mascot idea to our focus groups (the next step in our multi-step process to identify a new mascot) for further discussion and consideration.

In the meantime, we do encourage you to take our second mascot-input survey, if you haven't yet. [Click here](#) to access it. While Warjacks isn't listed on there, there are more than 300 potential mascot names for you to review. We just ask that you pick your top 5 from that list.

Once the survey closes in a couple of weeks, we will bring our focus groups together. From there, there will be a third community-wide survey and then we will take those results to the Wausau School Board for discussion and consideration.

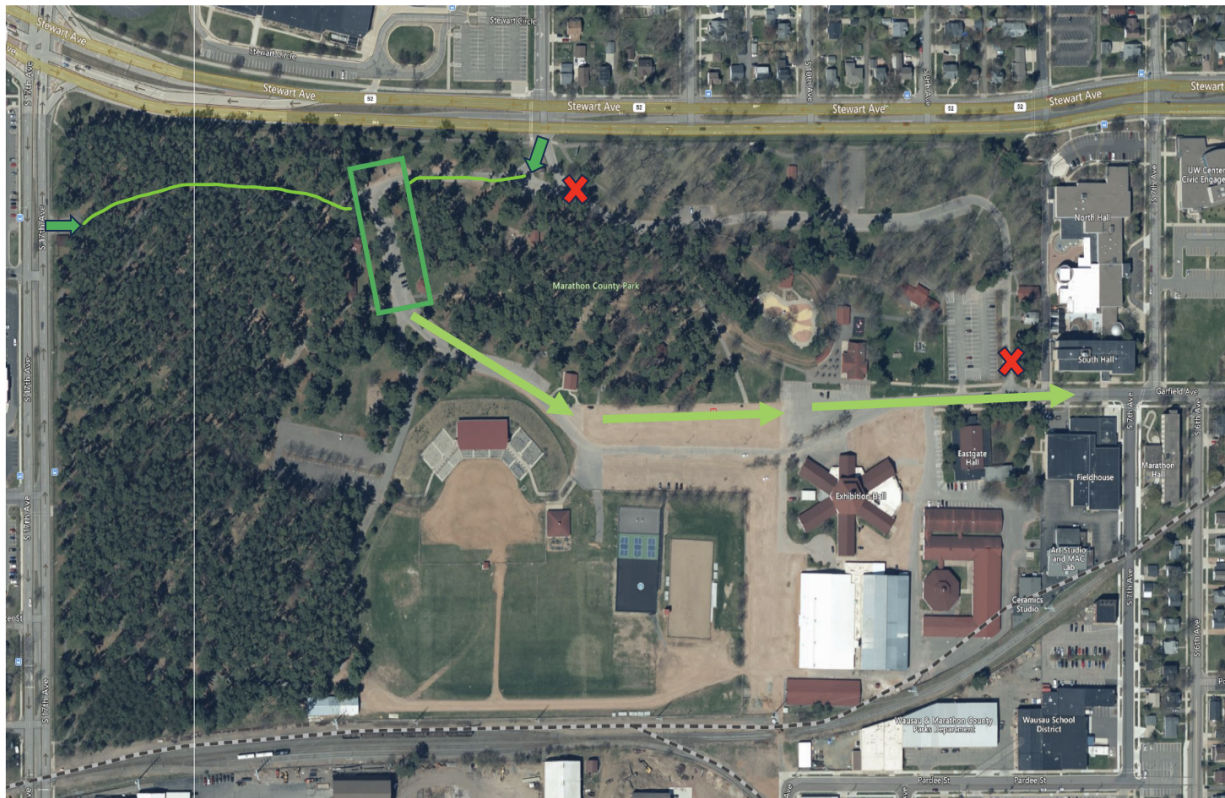

As always, thank you for your input and for being a valuable partner to the Wausau School District.

John Muir Middle School Bus and Parent Pickup / Drop Off Routes During Construction

The front “circle drive” area will remain closed and fenced off for construction. As a result, we need to make changes to our drop-off/pick-up procedures. We anticipate long lines so please be patient and plan accordingly.

→ -Enter at 17th Ave. - or - Stewart Ave. gates; Exit via Garfield Ave.

▭ -Parent Drop off / Pick up area

✗ -Park road closures

Our #1 recommendation is to drop off at Marathon Park:

We highly encourage all drop-off/pick-up of students to occur at alternate locations if possible, including Marathon Park, surrounding streets, etc. Dropping off/picking up at alternative locations will help with our traffic congestion problems and hopefully keep things moving safely.

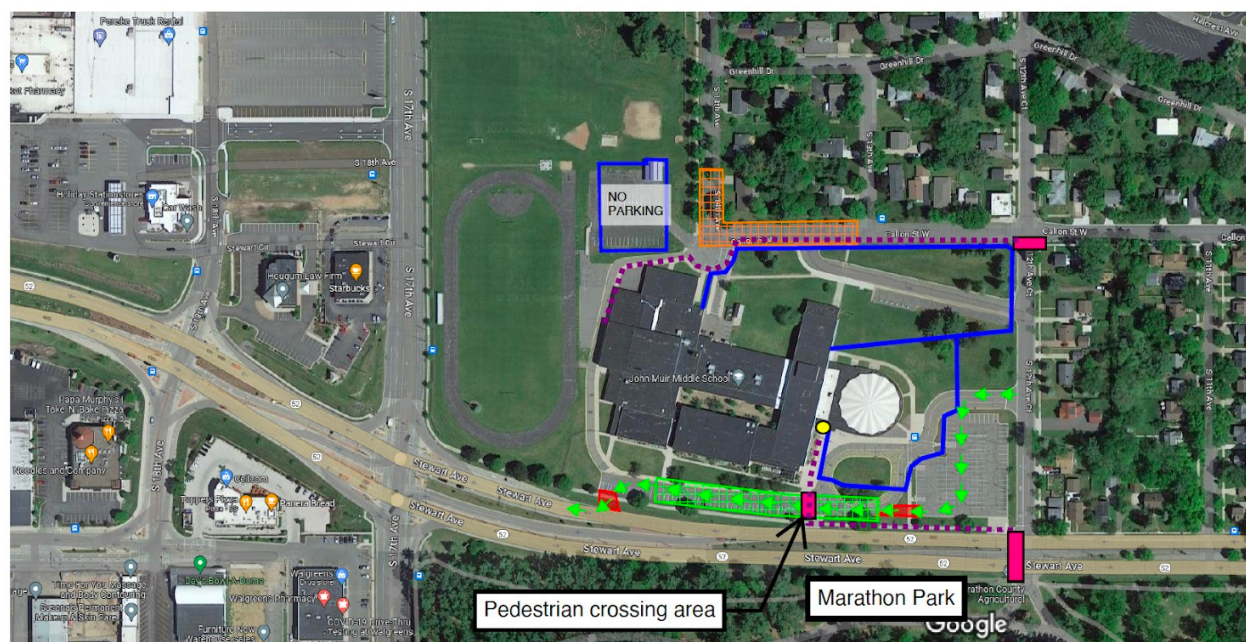

- The main entrance will open as usual.
- Additional West gate access on 17th Ave. will be open by 7:00 AM.
- Note the drop-off and pick-up area within the park, to avoid traffic congestion at the main entrance.
- All traffic must exit the park using the Garfield Ave. gate.
- Crossing guards will help your student safely cross at Stewart Avenue.

Before-School Student Drop-Off

- If you choose to drop your student off at school, please note the route has changed. The main entrance off S. 12th Avenue is still open. However, S. 12th will be CLOSED to Stewart Ave. eastbound traffic.
- Westbound access to S. 12th Ave. will remain open, meaning you CANNOT turn left onto S. 12th Avenue.
- When entering the property you will drive through our main parking lot and then over the new, temporary road along Stewart Avenue. Once you cross that new road a staff member will be directing vehicles for student drop-off, then directing which exit to use onto Stewart Avenue.
 - Driving this new route is single lane, one-way; vehicles will not be allowed to exit back onto S 12th Avenue.
 - No dropping off students in the parking lot or non-designated locations.
 - Please pull up as far as possible and watch for staff directing you.
 - Make sure your student is ready to exit the vehicle.
 - Please do not attempt to pull around other cars.
 - Dropping off on Callon Street and behind the building will not be permitted as bus drop-off will be occurring on that street.

After-School Student Pickup

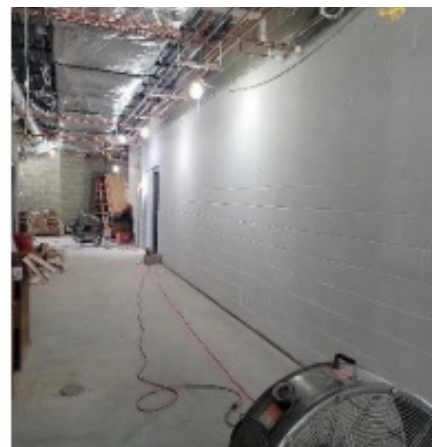

- The parking lot and entrance to John Muir will be closed until 3:10 p.m.
- Please make arrangements to pick up your student at Marathon Park or another meeting location off of the John Muir campus. The same morning route will be open after school for pickup beginning at 3:10 p.m.
- After 3:10 p.m. you can enter the property through the main entrance off S 12th Avenue, drive through our main parking lot, and then over the new, temporary road along Stewart Avenue. Once you cross that new road you will be able to pick up your student on the side of the building, then exit onto Stewart Avenue.

Meet School Resource Officer Kutchenriter

The Wausau School District would like to welcome School Resource Officer Kutchenriter to John Muir Middle School! Officer Kutchenriter shared this information with us:

I was born and raised in the Wausau area and initially attended East High School before moving to Weston and graduating from DC Everest Senior High in 2002. I joined the military immediately after graduation and enlisted in the US Army (Active Duty). I had multiple combat deployments to Iraq, a humanitarian deployment to New Orleans for Hurricane Katrina, and a training deployment to Thailand in my 4-year enlistment. I attended UW-Stevens Point graduating in May 2011 with a double major in Broadfield Social Studies and Psychology with a minor in History. I obtained my teaching certification and thought about becoming a high school teacher. Instead, I chose to try a few different professions (NTC Career Coach, Commercial Plumber, Probation Officer) before landing on law enforcement in January 2020. I haven't looked back since making that choice. I love working for Wausau PD and I'm very excited for this opportunity to work with kids, staff, and parents as a School Resource Officer. I took a very roundabout path to getting into the schools, but I don't think I would have wanted things to work out any differently.

I'm most looking forward to the continuous learning and opportunities for personal/professional growth this position is going to afford. I can't wait to learn more about the kids at all the schools and develop personal relationships with the students and staff. I am also very encouraged and empowered by the administration at all the schools and my personal leadership to put my own stamp on the position. Kevin's retirement leaves tremendously large shoes to fill. Kevin and I met years ago when I would visit Christina (my wife) at work. He encouraged me to pursue law enforcement because he thought I might be a good fit when he eventually left his role. I feel very comfortable in the educational setting. There will undoubtedly be hiccups, but I think I will be a really nice fit at John Muir and a good partner to Muir and the surrounding elementary schools.

I have two sons. My oldest child, Leonard, is entering 3rd grade at Riverview Elementary. Christina and I like camping – my 15-year goal is to retire, purchase a Class A RV and travel the continent in comfort exploring new places. My favorite sports teams are the Packers, the Bulls, the Brewers, and Real Madrid FC. I just started coaching soccer this past summer (WAYSAs) and enjoyed the experience immensely. I might look for opportunities coaching sports, and especially soccer, once I become more comfortable in my new role.

East High Safety Resource Officer Stetzer Earns Packers Protect & Serve Award

Congratulations to therapy dog Badge and School Resource Officer Nick Stetzer from East High for being awarded the Packers Protect & Serve Award which recognizes exemplary law enforcement officers who go above and beyond the call of duty within the state of Wisconsin. This award is funded by the Green Bay Packers and the NFL Foundation with each recipient receiving a \$2,000 grant to benefit their department or a nonprofit with which they are involved. Officer Stetzer was nominated by East High staff member Sara Denissen.

East & West Music Trip to Europe

Twenty-one musicians from the East High and West High orchestras and choirs traveled to Europe with orchestra teacher, Kirsten Hornby along with the Wisconsin All-Stars of Music! Over two weeks, students traveled through the Underground in London, performed at the Knebworth House in England, walked the Champs-Élysées in Paris, climbed Mt. Pilatus in Switzerland, and performed at Bayern Park and explored historic Munich in Germany. Fourteen Wausaonians traveled an additional week in Italy where they saw the sights of Venice, Florence, and Rome!

Retirement Congratulations!

Congratulations, Wausau Police Department Officer Kevin Cornell! Officer Cornell recently retired after serving as the School Resource Officer at John Muir Middle School. We're so appreciative of Officer Cornell and his dedication to keeping our students and staff safe. THANK YOU for making a difference in the Wausau School District!

Fresh Blueberries!

Thank you, Chet Skippy and Chet's Blueberry Farm in Stevens Point, for dropping off 1,000 pounds of fresh, locally-grown blueberries for our students to enjoy this school year!

Geometry in Construction

Wausau School District Math teachers and Technology Education teachers attended a four-day training on a new class called "Geometry In Construction". Students from both East High and West High will have the opportunity to learn geometry standards while building a construction project co-taught by a math and tech ed teacher. The students will earn Geometry credit and an elective credit in Technology Education after passing the class. Matt Natzke and Hunter Rochester from East High and Kris Schumacher, Dallas Moe, and Theran Peterson from West High attended the workshop.

IMPORTANT - Please read

*Replenish supplies throughout the year, as needed.
MINIMAL additional supplies may be announced by individual 6th or 7th grade literacy teachers at the beginning of the school year or by elective teachers (Art, Family Consumer Science, Music, World Language, or Technology).
Paddocks for Phy Ed must be purchased through the school. Store bought locks are not permitted.
Students are strongly encouraged to have an extra set of clothes to keep in their academic locker. Please see the Student Handbook on the JMMS website for the dress code policy.
LOCKER DECORATIONS: Items inside lockers may only be secured with magnets; tape is not allowed. NO CONTACT PAPER allowed due to the sticky residue it leaves.
