

## Comprehensive Progress Report

**Mission:**

Nurturing Brave Minds and Inspiring Lifelong Learns for Success!

To create an encouraging and positive environment that will engage all stakeholders through intentional communication and focused core instructional practices.

**Vision:**

**Goals:**

Strategic Goal: Reading Proficiency will increase from 21% to 47% by June 2025 as measured by the iReady and mCLASS assessments. Math proficiency will increase from 41% to 51% by June 2025 as measured by the iReady Assessment. Target Goal A: Reading Proficiency will increase from 36.5% to 41.75% by June 2024 as measured by the iReady and mCLASS assessments. Target Goal B: Math proficiency will increase from 41% to 46% by June 2024 as measured by the iReady Assessment. This goal aligns to indicators A4.01, A1.06, and A1.07

Strategic Goal: By 2025, NB Mills will reduce the number office disciplinary referrals from 781 to 623. Target Goal: By 2024, NB Mills will reduce the number office disciplinary referrals from 761 to 680. Reduce the days of instruction lost due ISS and OSS from 471.7 to 235.85.

Effective Practice:		Student support services			
KEY	A4.01	The school implements a tiered instructional system that allows teachers to deliver evidence-based instruction aligned with the individual needs of students across all tiers.(5117)	Implementation Status	Assigned To	Target Date
<i>Initial Assessment:</i>		<p>NB Mills utilizes MTSS process that allows for the early identification of students who are not achieving academically. This process incorporates frequent monitoring of student progress to assist teams in making decisions about academic and behavioral goals. A solid plan and implementation of Tier 1 core commitments for reading and math (with a focus on core instruction, high quality CLT's, Weekly teacher lesson plans aligning with the curriculum and high yield instructional strategies, iReady reports). The plan for implementation of MTSS interventions for Tier 2 and Tier 3 are in place for Reading and Math (with a focus on pulling students for reading and math remediation, iReady reports, EC and ESL Identified and RTI Stored).</p> <p>NB Mills is implementing three Instructional coaches model for Kindergarten/First grade, Second/Third and Fourth/Fifth for processes/procedures/expectations. These Coach lead CLT meetings for ELA, Math, Science/Social Studies and data analysis.</p>	Limited Development 11/15/2016		

	Priority Score: 3	Opportunity Score: 3	Index Score: 9		
<b>How it will look when fully met:</b>	<p>All of the NB Mills teachers will implement MTSS, academic and behavior, authentically and seamlessly with fidelity. MTSS begins with solid core instruction. Grade levels will develop instructional commitments, based on district expectations and student needs, to ensure quality instruction We will analyze our core instruction to make improvements through PLC meetings, Grade Level meetings, Data meetings and Intensives. All students who are below grade level, or not making adequate growth, will receive research based interventions in a timely manner to help close gaps.</p> <p><b><u>Data and Resources used:</u></b></p> <p>RTI Stored</p> <p>iReady for Reading and Math</p> <p>mCLASS</p> <p>Scoreboards</p> <p><a href="#">Diagnostic Data</a></p>			<b>Jonathan Nicastro</b>	<b>06/21/2024</b>

	KEY	A4.06	ALL teachers are attentive to students' emotional states, guide students in managing their emotions, and arrange for supports and interventions when necessary.(5124)	Implementation Status	Assigned To	Target Date
<i>Initial Assessment:</i>			Teachers have awareness of students' emotional needs of students and behavior (with a focus on a comprehensive plan to support students with behavioral and social/emotional needs through teacher recommendations, Educators Handbook, Morning Meetings, Second Step Curriculum and PBIS Rewards App) We are currently implementing "Everyday SEL in Elementary School", Second Steps Curriculum, and use of the PBIS Rewards App.	Limited Development 11/15/2016		
			Priority Score: 3                      Opportunity Score: 2	Index Score: 6		
<i>How it will look when fully met:</i>			<p>When fully implemented the school will only have 77 ORDs within a year. This would be 20% of the student body. Our Target goal for the year is to be at or under 700 ODRs.</p> <p>Teachers will teach SEL on a daily basis with the use of Second Steps, Morning Meetings, references to POP Chart, school wide common language for adding behaviors, and reinforcement with PBIS Rewards Points. There will be positive interactions with staff, students, and parents. Any student consistently displaying disruptive behavior will receive behavior interventions to correct behaviors to allow student to meet school expectations. All interventions will be documented in the following: RTI Stored, Educators Handbook, CICO sheets, Behavioral Contracts, Behavioral Intervention Plans, Functional Behavior Assessment (FBA), ABC checklist and alternative suspensions.</p> <p>Reduce the days of instruction lost due ISS and OSS from 471.7 to 235.85 by June 21,2024.</p> <p>Evidence: POP Charts, Morning Meeting Lessons each week, Second Step lessons, PBIS Points given, and Activities and Strategies to recognize positive behaviors.</p>		Jamie Mabry	06/21/2024

Core Function:		Dimension C - Professional Capacity			
Effective Practice:		Quality of professional development			
KEY	C2.01	The LEA/School regularly looks at school performance data and aggregated classroom observation data and uses that data to make decisions about school improvement and professional development needs.(5159)	Implementation Status	Assigned To	Target Date
<i>Initial Assessment:</i>		Early Release Professional Development addresses some of the PD needs for schools in regard to school and classroom performance data. Classroom observation data/ PDP is utilized by leadership to make some decisions about school professional development.	Limited Development 11/15/2016		
<i>How it will look when fully met:</i>		School Improvement teams and PLCs will be conducting research to identify and select best practices, which will be implemented based on identified school and teacher needs. A process will be established to review CWT data, to inform staff development for the district and within individual schools. Differentiated PD would be provided for teachers based on individual growth plans, CWT and observation data. Increased access would be provided for teachers and leadership to access current research. Increased communication regarding research conducted throughout the district will be made available to school leadership teams and teachers to inform professional development. School Administrative Teams will Review how data is used and how time in classrooms and daily schedules are structured. The school's SIP and PD plan, trend data, leveled CWT data, and EVAAS data will inform professional development for individual teachers, groups of teachers, schools, and the district. During Quarterly site visits, by Executive Cabinet, Executive Director, and Director of Curriculum Support, school teams will report out on identified indicators in supporting classroom walk through, classroom observation data, discipline data, formative student achievement data (including but not limited to benchmarks, quarterly failure lists, dropout lists, I-Ready data, and Reading and Math 3D data.) Executive Directors will communicate expectations for report outs and monitor for fidelity of implementation.	<b>Objective Met 10/16/17</b>	<b>Sheliah Burnette</b>	<b>09/30/2017</b>
