Did you know that the Killingly Public Schools has a
Family Resource Center?

Our office is conveniently located at the Goodyear Early
Childhood Center, but we serve **ALL** families and schools
in Killingly.

Want to learn more about us? Need some friendly
assistance? If so, please complete the attached "How
Can We Help You?" survey and we'll be in touch. If we
can't assist you directly, we'll connect you to who can.

OR

Reach out to us at any time throughout the school year.
