## Parent/Guardian Commitment

Parent/Guardian, please read each statement below and initial to signify your understanding and/or agreement.

### Initials

	I understand my student is applying for an accelerated program. My student will enroll in advanced courses, if accepted to the program and I support this decision. My student will have homework daily and I will ensure the necessary amount of time and effort will be provided to complete the C-CT program.
	I will ensure my child arrives at school on time and remains until dismissal from school, daily.
	I will ensure my child attends mandatory tutoring when required by teachers and/or administrators.
	I will participate in the education of my child and attend parent conferences when requested.
	I will communicate with the school any problems that could affect my child's performance or behavior.
	I will support the school, district, and CBC code of conduct.
	I will ensure that my student comes prepared with school materials daily (binder, paper, pens, pencils, backpack, etc.). These materials can be provided, if needed.
	I understand that if my student is accepted to the C-CT program, we will be required to attend a Parent/Student Orientation together and my student must attend a Summer Bridge Program.
	I understand grades earned in dual credit courses will be added to the student's high school transcript <b>and</b> college transcript. The student's collegiate grade point average (GPA) will stay with the student after high school. The student and parent/guardian understand that if the student fails a dual credit course that course would need to be repeated, will put the student behind in achieving their goal, and will impact future financial aid eligibility.
	I understand that if my student does not meet all the requirements or violates rules/policies established by NHHS and/or CBC, he/she will be placed on probation. I understand that failure to meet expectations during the probationary period will result in my student's dismissal from the program.
